May, 18, 2009

Thank you to all that attended!

It was a huge success!

Plan on attending next year
and speak to your representatives.

Let your voice be heard!!

The greatest dangers to liberty
Lurk in insidiuos encroachment
By men of zeal well-meaning,
But without understanding

■ Louis D. Brandeis

*A warm welcome to the 200+
Sport-bike riders from NYC in
attendance at the event*

I have no fear that the result of
our experiment will be that men
will be able to govern themselves
without a master.

Thomas Jefferson

~ Our cause, then, must be intrusted to, and conducted by...those whose hands are free,
whose hearts are in the work-who do care for the result. ...We did this under the single impulse
of resistance to a common danger.... Of strange, discordant, and even, hostile elements,
we gathered from the four winds, and formed and fought the battle through,
under the constant hot fire of a disciplined, proud, and pampered enemy...

We shall not fail-if we stand firm, we shall not fail...sooner or later, the victory is sure to come~

Abraham Lincoln
