Charlie Michaels, Chi Omega
Jen Snively, Zeta Tau Alpha
Jane Sotak, Alpha Chi Omega
Judy Watson, Alpha Phi
Liz Wood, Delta Zeta
Katie Ziegler, Zeta Tau Alpha

- The minutes from the March meeting were approved.
- Charlie, with input from the group, completed the NPC report form regarding our business and activities over the past year.
 - We do not have the current copies of the Green Book and Alumnae Panhellenic Handbook and will look into obtaining these.

Treasurer's Report: Jane Sotak

- Jane reported the following balances for our three accounts:
 - Checking account: \$ 131.75
 - Money Market: \$ 313.42
 - CD \$2000.00
 - **TOTAL: \$2445.17**
- The CD is a 6 month CD due in October, so this money would be available for scholarships if needed.

Old Business:

Arts Festival:

- The training was this evening. Contact Marianne if there is anyone that still needs trained, or if you are unable to make your shift (see schedule sent out in previous e-mail).
- Report directly to the station when you arrive (corner of Long St. and Washington Ave.)
- Please keep the money from each station separate. (there should be two cash boxes)
- Feel free to ride share, and walk in groups back to your cars after your shift (especially if you have the evening shift).

Misc:

- The Great Women Go Greet event at OSU was well attended by the collegians. Charlie said that the students asked the panelists a wide range of questions, from career to personal life.
- OSU is considering requiring sophomores to live on campus. A meeting was recently held on how this would affect Greek housing. A letter of support for Greek housing to be considered “university housing” was sent/signed by many groups, or would be soon. OSU will be monitoring Miami University, who recently adopted a similar policy. The housing corporations should be aware that if this goes forward, upgrades to the houses, such as requiring sprinkler systems and air conditioning may become an issue.

New Business/Announcements:

- Katie Ziegler will be taking over for Jan Snively (ZTA). Her contact info is:
6874 Gullway Bay Dr.
Dublin, OH 43017
513-518-9953
KTZigs@hotmail.com
- Charlie will contact Cheryl about hosting our next meeting at the Scioto Boat Club in July.
- We will tentatively be volunteering at COSI in September (sometime over their two week shut-down). We would be preparing packets of information to send out to teachers. Jen Snively will get more info about this to us.
- Another volunteer activity to keep in mind (for ours or any other group): sorting books at Children’s Hospital.
- Other meetings for next year will include a meeting in the fall regarding scholarships, a holiday dinner in December, and volunteering in January at the Food Bank.
- Marianne announced she is expecting her second child this fall!
Congratulations!

Respectfully Submitted,
