President Penny Purviance called the meeting to order. Congratulations went out to Marianne Gray for the successful scrap-booking party, she held at her home in November. Ten people attended and all had a wonderful time and are excited about the next event. Marianne suggested that we move away from a Friday night for the next scrap-booking party.

Vice President Judy Watson presented Jill Trowbridge's report. A proposed calendar of events and survey results were distributed to everyone. We reviewed all of the events and those present provided the information they had gathered.

Cheryl Davis – Comedy Club – Cheryl contacted Shadowbox at Easton. Wednesday-Thursday it is \$20 for the 7 pm show. If we have 16+ attend there is a \$4 discount. If we have 25+, Shadowbox will process the ticket orders. Anyone who will be attending can call Shadowbox direct and order their tickets – they just need to state they are with Columbus Alumnae Panhellenic to receive the discount. Seating is on a first come first serve basis. January's show is "Sex in the Box." Cheryl will call to confirm reservations, and will e-mail information to the group. She will also ask Denise to create a flyer for all to distribute.

Liz Wood – Food Bank – February 1 is our scheduled date. Directions and flyers will be mailed out in early January. All are asked to bring an appetizer and drink to enjoy during a brief meeting prior to working. Please arrive by 5:30 pm.

Judy Watson – Game Night – March 11 6:30 – 10:30 pm at Clintonville Women's Club. The space has been reserved. Dinner is \$16 per person. Judy sent around a sign-up sheet for people to work specific areas of the event.

It is BYOB for all who attend. A variety of games will be available for people to play. Game Night will be discussed in more detail at the February 1 meeting.

Penny Purviance – Spa Day – The cost for a spa day ranges in the \$70-\$80 range and they cannot guarantee a group together – it depends on the current schedule. It was suggested by the group that we look at possibly holding a "mini-spa" night at someone's home. Judy was going to speak with a massage therapist for pricing. Katie is going to speak with a contact she has as well. Information will be provided at the February meeting.

During the review of the calendar, a few suggestions were made:

- Spa day move to another month
- Cancel March Madness (Game Night is focus for March)
- Race for the Cure is May 14 (not in March)
- Tour of Sorority Houses move to September (not in April) – Jane Sotak has organized this in years past and will work on this. There are 14 chapters at OSU. A rotation between these would be the best method to tour all houses. Possibly pick six a year to open to CAP.
- Franklin Park Conservatory – early May due to Katie's festival schedule
- Columbus Arts Festival Fundraiser – CAP will work 3 booths at the festival raising \$200 per booth/shift worked. Marianne will organize.

Penny then gave the Treasurer's Report for October

Checking - \$35.28

Thus far \$155.00 had been collected through the Polaris Night of Giving Campaign, but many had turned in money in November and still have some to turn in.

Delta Delta Delta, Alpha Delta Pi, and Delta Zeta are the only groups still owing dues.

Dinner was then served and all enjoyed the holiday celebration!!
