Chaplain's Notes July 2001

Hi !

How are you? I hope all is going well for you !

As your Community Chaplain I have decided to produce a monthly letter in order to keep in contact with the more than 600 who have accepted my introductory flyer when I came door-to-door earlier this year. My desire is still to get to know you **face-to-face**, but 600 people is a lot of people to see, so please be patient with me!

However, remember that you don't need to wait for me to visit! Feel free to contact me anytime if you want to have a chat or are needing help. Furthermore, if you'd like to become part of a new **Community Church** in our area, give me a call - I would love to talk with you more about this.

In my interaction with people so far, I sense that God has many **good** things in store for us. I have already seen a few lives being changed for the better, and I believe this is a sign of great things to come.

I hope I get to see you soon. I'm looking forward to getting to know you more in the next months.

Yours sincerely,
