

Welcome to Free PDF Cards

This card message is provided free from

www.cornishclocks.co.uk

Printing the Card Message

When printing the card message rotate the document so that the words/picture is across the top of the page (as viewed on the computer). Also check that you set the printing properties to expand or shrink to fit paper size.

Finally, remember to select page 2 in the print range, otherwise you will print this page.

Check the orientation of your card before printing.

Following these simple rules should ensure perfect result every time.

Do you have a picture you would like put into a wall clock?
