

# 福 TOWN

Town offers an upscale dining experience with authentic Chinese food. We have an intimate dining room that honors Chinese tradition and design.

We use the freshest ingredients available from organic suppliers to serve the best possible meals.

We have traditional Chinese beverages and unique infused cocktails. During our cocktail hour we offer new drinks, specials, and appetizers

Please join us for dinner soon. Reservations are not required but strongly recommended.

On Friday and Saturday evenings we offer live music from local talent. Check our website for our schedule of performances.
