ABOUT THE LEADERS:

Bob and Bernice are Licensed Professional Counselors and certified Trainers, Educators and Practitioners in Psychodrama and action methods.

This husband and wife team draws on their combined experience of over forty five years in helping people identify their strengths, overcome challenges, and achieve their highest potential. They are well known for their national and international interactive training programs that expand personal and professional skills. Bernice is Chair of the Women in Business Committee of the Western Monmouth Chamber of Commerce.
