Ronald McDonald House—For years we have met once a year at the Ronald McDonald House. They provide “Lovie” quilts to each family who stays there. Some of us donate lovies throughout the year, but we always have some to donate to the House during our meeting there. Many times we have had around 40 lovies to donate that night, but last year we only had about 10. Maybe it was a busy time for most members, or maybe we need to rethink our commitment. Please answer the following questions.

- Do you think we should meet at the Ronald McDonald House each year?
- Do you think you would have a Lovie to donate most years?
- Have you attended meetings there before?
- If not, what was your reason for not coming?

We will plan a couple of workshops to make quilts for Project Linus - they provide quilts to children in need through lots of organizations locally. How do you feel about making quilts for Project Linus and/or Lovies for the children at the Ronald McDonald House?
