COMMITTEE ON THE JUDICIARY

WASHINGTON, DC 20510-6275

May 10, 2004

To Whom It May Concern:

We are very pleased to write a letter of recommendation for Craig Field who has worked on the U.S. Senate Committee on the Judiciary for the past eight months as our Systems Administrator.

We are very impressed by the professionalism that Craig has brought to the job. He quickly learned the technological needs of the Committee and assumed responsibility for the administrative and systems support duties for the Committee. Craig has been a wonderful addition to the Committee staff and has been invaluable in his commitment to the Members and staff.

During the division of the Committee network, Craig successfully met all of the challenges of his critical role on the Committee with his technical knowledge, insight and courtesy. His expertise and dedication to this project was key to its success.

Craig has done an outstanding job for the Judiciary Committee and has earned our trust and respect for his integrity and strong work ethic. His talent, drive and experience will make him a valuable addition to any office. We urge you to give him every consideration for any technical or managerial position for which he may apply.

Sincerely,

ORRIN G. HATCH
