

# ABSTRACT

Title: Word problems on time.

Level: Primary 5

Subject Area: Mathematics

Curriculum Topic: Time

Summary: This PowerPoint presentation provides information about how to solve questions about '*time*'. It also equips students with the ability to enable them to tackle questions in regards to 'word problems on *time*'. A cloze passage, using Hot Potatoes software, can help the pupils how to read '*time*' correctly.

Developer: Rosarman bin Abdul Wahid

Special comments: Excellent for individual and whole class learning.
