**What is it?**

Our best performing and easy-to-work-with bareMinerals Multi-Tasking Bisques perform as miracle concealers for your face, covering dark circles and skin imperfections. Apply directly onto brown and red spots, blemishes, broken capillaries, scars and other areas of skin imperfections.

**Features and Benefits:**

**Bisque** ~ *cool, beige tone*

- Conceals dark areas or problem spots
- Brightens darkness under the eye
- As an eyeshadow base, you can apply bisque to entire eyelid for stay-true color

**Summer Bisque** ~ *golden cream tone*

- Same multi-tasking benefits of bisque
- Conceals redness
- Camouflages hyperpigmentation by brightening the darkness of pigmentation
- Prevents additional discoloration with SPF 20.

**Honey Bisque** ~ *amber wheat*

- Same multi-tasking benefits of bisque and summer bisque.
- Conceals unwanted spots, blemishes and hyperpigmentation, without ashy-white cast.
- Great eyeshadow base.
- Prevents additional discoloration with SPF 20.

**Dark Bisque** ~ *warm almond*

- Same multi-tasking benefits of bisque, summer bisque, and honey bisque.
- Conceals unwanted spots, blemishes and hyperpigmentation, without ashy-white cast.
- Great eyeshadow base.
- Prevents additional discoloration with SPF 20.

**Deep Bisque** ~ *warm chestnut*

- Same multi-tasking benefits of bisque, summer bisque. Honey bisque, dark bisque and deep bisque.
- Conceals unwanted spots, blemishes and hyperpigmentation, without ashy-white cast.
- Great eyeshadow base.
- Prevents additional discoloration with SPF 20.

**Application Tips:**

- Pre- or post-conceal to even out skin tone, dark pigmentation and perfectly conceal imperfections.
- To customize color, you can mix with *bareMinerals* face, cheek and eye colors for beautiful customized shades.

**Best Results With:**

- Apply with the **Maximum Coverage Concealer Brush** to hold more bareMinerals for quick cover-ups.
- Apply over or under **bareMinerals SPF 15 Foundation** for a flawless complexion.
