What is it?

Get Started Eyes, Cheeks, Lips is our bareMinerals color palette, designed to enhance your features based on your natural skin tone and bareMinerals foundation match. Tried and true, these rich shades, with brushes, are guaranteed to perfectly complement your flawless complexion as they bring out the natural beauty of your eyes, cheeks, and lips.

Features and Benefits:

- Made of 100% pure bareMinerals
- Free of preservatives, oils, talc, waxes, fragrances and other skin irritants
- **Get Started Eyes, Cheeks, Lips contains:**
 - **Winter White Eyecolor** (*ivory clay*) ~ Supremely soft and sheer with a touch of glow. Use dry for whisper effects and wet for more opaque sheen.
 - **Smoke Eyecolor** (*smoky taupe*) ~ Our 100% pure bareMinerals eyeshadow in smoky taupe provides opaque coverage for all-over lid color and crease contouring. Use alone or mixed together with other bareMinerals colors to customize colors as you desire. Its all natural consistency makes it incredibly easy to apply and blend seamlessly (no pulling or tugging of the eye area).
 - **Nature Liner Shadow** (*plum taupe*) ~ Our 100% pure bareMinerals Liner Shadows offer intense, radiant color for a variety of eye-defining effects. Wear this plum-taupe liner shadow dry for soft, subtle or smoky looks, or wear it wet for a more intense, fine line.
 - **Kiss Blush** (*pink shimmer*) ~ This soft and creamy blush buffs on like silk and adds a soft, radiant glow to your complexion.
 - **Mini Dolly Buxom Big & Healthy Lip Polish** (*dusty mauve*) ~ Our pout-perfecting Buxom naturally creates the look of fuller, more voluptuous lips. The bareMinerals-infused polish imparts a luminous high shine with no sticky or tacky feeling.
 - **Tapered Blush Brush** ~ This perfectly rounded brush applies, blends, and contours the blush, giving more complete coverage to the cheeks. Soft, flexible bristles allow you to control how much and where to apply.
 - **Quick Color and Crease Brush** ~ Two fabulous brushes in one. The full, tapered brush side provides sweeping color from lash to brow, while the other tapered-brush end is perfect for flawless detailing and blending in the contour crease.

- **Heavenly Liner Brush** ~ Line and smudge your eyes to your heart's content with this heaven-to-work-with brush. The softly textured and tapered brush head provides sheer-to-medium color intensity for defined lining with bareMinerals Liner Shadows.

Application Tips:

- 1) Light up your eyes with a lash-to-brow base of **Winter White Eyecolor**, using the flat end of the **Double-Ended Quick Color and Crease Brush**.
- 2) Contour the lids with **Smoke Eyecolor**, using the domed brush end back-and-forth along the crease.
- 3) Define the eyes with a rich line of **Nurture Liner Shadow**, using the **Heavenly Liner Brush**.
- 4) Add beautiful, naturally good-for-you color to the apples of your cheeks with **Kiss Blush**, using the **Tapered Blush Brush**.
- 5) Get fuller, more voluptuous lips with luminous high shine with a sweep of bareMinerals-infused **Dolly Mini Buxom Big & Healthy Lip Polish**.
