Tried and true, these rich shades, with brushes, are guaranteed to perfectly complement your flawless complexion as they bring out the natural beauty of your eyes, cheeks, and lips.

Features and Benefits:

- Made of 100% pure bareMinerals
- Free of preservatives, oils, talc, waxes, fragrances and other skin irritants
- **Get Started Eyes, Cheeks, Lips contains:**
 - o **Cream Soda** (*glowing ivory*) **Eyecolor** ~ Supremely soft and sheer with a touch of glow. Use dry for whisper effects and wet for more opaque sheen.
 - o **Rapture** (autumn mauve) **Eyecolor** ~ Like one-of-a-kind "jewels" for your eyes, our 100% pure bareMinerals eyecolors provide sheer-to-opaque coverage for all-over lid color and crease contouring.
 - o **Tiger's Eye Liner Shadow** (*copper wood*) ~ 100% pure bareMinerals Liner Shadows offer intense, radiant color for a variety of eye-defining effects. Wear this coppery brown liner dry for soft, subtle or smoky looks, or wear it wet for a more intense, fine line.
 - o **First Class Blush** (*warm rose*) ~ Our creamy, warm-rose 100% pure bareMinerals blush gives you a beautiful, healthy tone that looks natural, because it is. Create a soft, radiant glow to your complexion with our silky cheek color.
 - o **Mini Sugar Buxom Big & Healthy Lip Polish** (*rose glow*) ~ Our pout-perfecting lip polish with a rose glow shade, naturally creates the look of fuller, more voluptuous lips. This bareMinerals-infused polish imparts a luminous high shine with no sticky or tacky feeling.
 - o **Angled Blush Brush** ~ Soft-tapered bristles fit perfectly in cheek contours for defined cheekbones with bareMinerals Blush or All-Over Face Colors.
 - o **Double-Ended Contour & Define Brush** ~ Two fabulous brushes in one. The Contour Brush blends smoothly along the crease, creating soft, smoky looks while the other angled, Eye Defining Brush end is perfect for flawless detailing and blending in the contour crease. These two original brush ends make this brush one-of-kind.
 - o **Eyeliner Brush** ~ Tight, finely pointed brush head provides full color intensity for eyelining with bareMinerals Liner Shadows. Can be used wet or dry to achieve different effects.
