Features and Benefits:

- Made of 100% pure bareMinerals
- Free of preservatives, oils, talc, waxes, fragrances and other skin irritants
- **Superstars Contains:**
 - o **Aurora Eyecolor** (*stainless steel*) ~ This delicately sheer glimpse of stainless steel gives eyes a dreamy, poetic look with a touch of glow.
 - o **Trinity Eyecolor** (*starry-midnight purple*) ~ This sheer glimmer of starry-midnight purple adds rich contrast and lights up eyes with brilliant accents.
 - o **Compatible Face Color Duo in Flawless Radiance and Empowerment Blush** (*beige chiffon and terra-cotta rose*) ~ Flawless Radiance provides a luminescent, radiant sheen of beige chiffon. Empowerment adds a naturally sheer, terra-cotta rose tone to cheeks.
 - o **Mineral Veil** (*sheer translucent tone*) ~ The ultimate translucent finishing touch to infuse skin with softness and light.
 - o **Destiny Buxom Big & Buxom Healthy Lip Polish** (*peach nectar*) ~ Naturally creates the look of fuller, more voluptuous lips with luminous high shine in a peach-nectar shade.
 - o **Double-Ended Contour and Line Brush** ~ One end blends smoothly along the crease of the eye, creating soft, smoky looks. The other end applies a precise line like a pro.
 - o **Face Shaping V Brush** ~ Shapes and defines the face by hugging the contour of the cheeks, forehead and jaw.
 - o **Flawless Application Face Brush** ~ Provides light-to-medium coverage for a broad range of easy, professional-looking applications.
 - o **Superstar Bag** ~ Fold-over pouch holds all the colors that make you a superstar and doubles as a stylish clutch.

Application Tips:

- 1) Buff a sheer wash of **Aurora Eyecolor** on the eyelid from the lash base up to the brow using the larger end of the **Double-Ended Contour and Line Brush**.
- 2) Buff **Trinity Eyecolor** from the lash line up to the crease, using the flat brush end to create a soft, smoky look. Add "star power" emphasis to your eyes by lining your upper and lower lash lines wet (apply with dampened brush) with **Trinity Eyecolor**, using the pointed brush end. For more drama, create a thicker line.
- 3) Add naturally good-for-you cheek color by gently buffing **Empowerment Blush** along your cheekbone and back toward your hairline with the **Face Shaping V Brush** for contour-hugging application.
- 4) To highlight the face with subtle radiance, use the **Face Shaping V Brush** to buff **Flawless Radiance All-Over Face Color** along the high points of the face, such as the forehead, outer halves of eyes, cheeks, nose and chin.
- 5) Give your complexion the ultimate, translucent finishing touch with **Mineral Veil**. Buff it on over your bareMinerals with the **Flawless Application Face Brush** for the look of an airbrushed complexion, infused with softness and light.
