What is it?

Get Started Eyes, Cheeks, Lips is our bareMinerals color palette, designed to enhance your features based on your natural skin tone and bareMinerals foundation match. Tried and true, these rich shades, with brushes, are guaranteed to perfectly complement your flawless complexion as they bring out the natural beauty of your eyes, cheeks, and lips.

Features and Benefits:

- Made of 100% pure bareMinerals
- Free of preservatives, oils, talc, waxes, fragrances and other skin irritants
- **Get Started Eyes, Cheeks, Lips contains:**
 - **Brilliant Eyecolor** (*yellow orange*) ~ Our 100% bareMinerals eyeshadow in yellow orange provides opaque coverage for all-over lid color and crease contouring. Use alone or mixed together with other bareMinerals colors to customize colors as you desire. Its all-natural consistency makes it incredibly easy to apply and blend seamlessly (no pulling or tugging of the eye area).
 - **Spark Eyecolor** (*copper clay*) ~ Like a one-of-a-kind "jewel" for your eyes, our naturally brilliant copper glimmer lights up your eyes in rich, eye-illuminating accents. This soft, translucent shade can be worn dry for sheer illumination or wet for a smooth opaque wash of high sheen called "foiling."
 - **Onyx Liner Shadow** (*jet black*) ~ 100% pure bareMinerals Liner Shadows offer intense, radiant color for a variety of eye-defining effects. Wear this jet black liner shadow dry for soft, subtle or smoky looks, or wear it wet for a more intense, fine line.
 - **Crushed Velvet Blush** (*bronzed pink*) ~ Our creamy, cranberry-hued 100% pure bareMinerals blush gives you a beautiful, healthy tone that looks natural, because it is. Create a soft, radiant glow to your complexion with our silky cheek color. Ideal for all skin types, including sensitive and problem-prone skin.
 - **Mini Brandi Buxom Big & Healthy Lip Polish** (*candied plum*) ~ Our plum-perfect lip polish naturally creates the look of fuller, more voluptuous lips. This bareMinerals-infused polish imparts a luminous high shine with no sticky or tacky feeling.

- **Angled Blush Brush** ~ Soft-tapered bristles fit perfectly in cheek contours for defined cheekbones with bareMinerals Blush or All-Over Face Colors.
- **Double-Ended Contour Shadow/Eye Defining Brush** ~ Two fabulous brushes in one. The Contour Brush blends smoothly along the crease, creating soft, smoky looks while the other angled, Eye Defining Brush end is perfect for flawless detailing and blending along the contour crease.
- **Eyeliner Brush** ~ Tight, finely pointed brush head provides full color intensity for eyelining with bareMinerals Liner Shadows. Can be used wet or dry to achieve different effects.

Application Tips:

- 1) Light up your eyes with a lash-to-brow base of **Brilliant Eyecolor**, using the rounded end of the **Double-Ended Contour & Define Brush**.
- 2) Contour the lids with **Spark Eyecolor**, using the angled brush end along the crease.
- 3) Define the eyes with a rich line of **Onyx Liner Shadow**, using the **Eyeliner Brush**.
- 4) Add beautiful, naturally good-for-you color to the apples of your cheeks with **Crushed Velvet Blush**, using the **Angled Blush Brush**.
- 5) Get fuller, more voluptuous lips with luminous high shine with a sweep of bareMinerals-infused **Mini Brandi Buxom Big & Healthy Lip Polish**.

Best Results With:
