

The sanctification & mandate of Jihad & terrorism are permanently enshrined in the Koran; any attempt to remove or reinterpret them constitutes blasphemy:

3:77. Verily, those who purchase a small gain at the cost of Allâh's Covenant and their oaths, they shall have no portion in the Hereafter (Paradise). Neither will Allâh speak to them, nor look at them on the Day of Resurrection, nor will He purify them, and they shall have a painful torment. 3:78. And verily, among them is a party who distort the Book with their tongues (as they read), so that you may think it is from the Book, but it is not from the Book, and they say: "This is from Allâh," but it is not from Allâh; and they speak a lie against Allâh while they know it.

This is confirmed by a relevant ahadith:

Sahih Bukhari Vol. 9: Book 88: ahadith 174 Far removed from mercy are those who change the religion of Islam after me!

Islam was founded as a predatory institution; so defined by the Koran and exemplified by Muhammad's sunnah. It can not be reformed; it like methyl alcohol, can not be rendered safe. The passage of 1382 years has not changed its objective nor reduced its ardor: The "Palestinian" sermon by Sheikh Ibrahim Mudeiras May 13, 2005 included these curse worthy words:

"we [Muslims] once ruled the world and the day will come when, by god, we will rule the entire world. The day will come when we will rule the United States, the day will come when we will rule Britain, we will rule the whole world [and all will live in peace and comfort under our rule] except the Jews. The Jews will not live in peace and comfort under our rule..."

Will that day come? Will Islam conquer and

misrule the entire world? Will the lamp of liberty be snuffed out because you discarded the blood sacrifice of thousands of patriots who gave everything they possessed; even life itself to ensure our freedom? The undersigned petitioners pray that it will not happen; that you will take effective action to prevent conquest from without and subversion from within.

- Lift the veil of fabulism; investigate and expose the true contents of the Koran & Hadith. Hold public hearings to let the citizens of Great Britain and the world see and hear the reality of Islamic doctrine and practice.
- Revoke the charter of Islam. Declare it to be the predator it is, not a religion!
- Reject all demands for "protecting" the Koran from "desecration". Can Mein Kampf be desecrated? How then is it possible to desecrate the Koran?
- Reject all demands to outlaw criticism of Islam. Lifting the lid from the septic tank & exposing the Koran's contents does not constitute blasphemy. Allah is an idol, not God!
- Begin the process of contesting Islam on the only battlefield where we can win without bloodshed: the ideological battlefield. Broadcast the truth about Allah's unholy sacraments & Muhammad's exemplary performance of them, thereby planting the seeds of doubt & introspection which can sprout and blossom into mass apostasy among the Ummah. Emancipating Allah's slaves is the key to permanently ending Islam's reign of terror.
- Effectively close our borders to Islamic infiltrators.
- Identify, round up and deport all Islamic illegal aliens.
- Identify and interview all Islamic legal resident aliens. Deport those who can not pass a polygraph exam regarding their peaceful intentions.
- Increase the scope, scale & effectiveness of surveillance programs watching the activities of Islamic citizens & organizations.

At a time when the catapult was the great engine of war, Islam conquered nearly half of the known world. It did so because its founder recited 'revelations' from its deity which sanctified&mandated world conquest. Allah demanded a complete, global monopoly on faith and practice. That predestined monopoly was to be actualized by Jihad: "fighting in the way ofAllah", using terror as its chief battle tactic. Is an organization Hell-bent on world conquest worthy of legal protection??

In modern times, when biological, chemical & nuclear weapons can enable anyone to inflict mass casualty attacks, the continued tolerance of such a predatory institution as Islam is clearly suicidal.

We fail to recognize the threat posed by Islam because we have been conditioned to think of it as a religion. Our own Ministers refer to Islam as a "religion of peace". In fact, it is neither a religion nor peaceful.

What is a religion? What is its purpose & function? We conceive of religion as a system of belief & ritual practice which seeks to comprehend the will of our Creator and form a right relationship with him. Islam is a system of conquest & extortion which uses a fabulistic faith structure as a camouflage for its true purpose and troop motivator.

What is the role of a prophet? We conceive of a prophet as God's messenger who brings us his sacred will and warnings of impending punishment for sin. Islam, while including that concept, adds this:

8:67. It is not for a Prophet that he should have prisoners of war (and free them with ransom) until he had made a great

slaughter (among his enemies) in the land. You desire the good of this world (i.e. the money of ransom for freeing the captives), but **Allâh desires (for you) the Hereafter.** And Allâh is almighty, All-Wise.

Waging war, genocide, and enriching oneself by holding prisoners for ransom does not fit our concept of religion, nor our concept of the role of a prophet, but here, Allah declares genocide as a vital part of the job description and allows profiteering after genocide is accomplished!!!

By reading the Koran & Hadith, we discover that Islam's purpose is Muhammad's emolument & empowerment through conquest. Surahs 8, 9 & 48 are entirely composed of exhortations to conquest! Likewise, the Jihad Hadith describes Muhammad's military campaigns & the Khumus Hadith describes how he divided the spoils among his companions.

Muslims tell us that Muhammad's battles were defensive, not offensive, but his biography proves otherwise! It reveals the text of several of the extortion letters which he dispatched to various kings & emperors prior to attacking them. "**Embrace Islam and you will be safe.**" is a common thread uniting the biography and Hadith. It fits hand in glove with this ugly assertion from Islam's commandment: **When they do that, their life and property are unlawful for us except what is due to them.** Until you submit to Islam, there is an open season on you, your family, and all your worldly goods!

As further proof, examine the orders which Muhammad issued to his commanders in the field:

Sunnah Muslim Book 019, Number 4294: It has been reported from Sulaiman b. Buraid through his father that when the Messenger of Allah (may peace be upon him) appointed anyone as leader of an army or detachment he would especially exhort him to fear Allah and to be good to the Muslims who were with him. He would say: **Fight in the name of Allah and in the way of Allah. Fight against those who disbelieve in Allah.** Make a holy war, **do not embezzle the spoils;** do not break your pledge; and do not mutilate (the dead) bodies; **do not kill the children.** When you meet your enemies who are polytheists invite them to three courses of action. If they respond to any one of these, you also accept it and withhold yourself from doing them any harm. **Invite them to (accept) Islam.... If they refuse to accept Islam, demand from them the Jizya. If they agree to pay, accept it from them and hold off your hands. If they refuse to pay the tax, seek Allah's help and fight them....**

Why the prohibition on embezzlement? Because **accrual of spoils for Muhammad is the principal purpose of the campaign!** Why prohibit killing children? **Because dead children had no value in the slave market!**

{ Search Google for "property for Muslims". } The order is to demand submission, if yielded, to call the submitters to join the campaign; if they refuse to submit, to demand extortion; if they refuse to pay, to fight them. The order is not consistent with a defensive campaign; it is consistent with aggression!

The sanctification & mandate of Jihad & terrorism are permanently enshrined in the Koran; any attempt to remove or reinterpret them constitutes blasphemy:

9:29. Fight against those who (1) believe not in Allâh, (2) nor in the Last Day, (3) nor forbid that which has been forbidden by Allâh and His Messenger (4) and those who acknowledge not the religion of truth (i.e. Islâm) among the people of the Scripture (Jews and Christians), **until they pay the Jizyah with willing submission, and feel themselves subdued.**

Those ayats are ratified by the following ahadith:

Narrated Anas ibn Malik: The Prophet (peace_be_upon_him) said:

I am commanded to fight with men till they testify that there is no god but Allah, and that Muhammad is His servant and His Apostle, face our qiblah (direction of prayer), eat what we slaughter, and pray like us. **When they do that, their life and property are unlawful for us except what is due to them.** They will have the same rights as the Muslims have, and have the same responsibilities as the Muslims have.

Another ahadith makes the duration clear: from 610 until Judgment Day:

Abu Dawud Book 14, Number 2526: Narrated Anas ibn Malik: The Prophet (peace_be_upon_him) said: Three things are the roots of faith: to refrain from (killing) a person who utters, "There is no god but Allah" and not to declare him unbeliever whatever sin he commits, and not to excommunicate him from Islam for his any **action; and jihad will be performed continuously since the day Allah sent me as a prophet until the day the last member of my community will fight with the Dajjal (Antichrist).** ...

Monopoly Supremacism Perpetual War

Evidentiary Supplement to the Congress Debate Koran Petition

Monopoly

8:39. And fight them until there is no more Fitnah (disbelief and polytheism: i.e. worshipping others besides Allâh) and the religion (worship) will all be for Allâh Alone [in the whole of the world]. But if they cease (worshipping others besides Allâh), then certainly, Allâh is All-Seer of what they do.

The bold red transliteration in the following ayat and the translator's note which follows it appear frequently in *Interpretation of the Meaning of The Noble Quran* Translated into the English Language By Dr. Muhammad Taqi-ud-Din Al-Hilali, Ph.D. & Dr. Muhammad Muhsin Khan.

21:25. And We did not send any Messenger before you (O Muhammad) but We inspired him (saying): **Lâ ilâha illa Ana [none has the right to be worshipped but I (Allâh)], so worship Me (Alone and none else)."**

If only Allah has the right to be worshipped, then none of us has the right to worship Jehovah, Jesus, or any other concept of deity!!!

Supremacism

9:33. It is He Who has sent His Messenger (Muhammad) with guidance and the religion of truth (Islâm), **to make it superior over all religions even though the Mushrikûn (polytheists, pagans, idolaters, disbelievers in the Oneness of Allâh) hate (it).**

Sahih Bukhari Volume 1, Book 3, Number 125: Narrated Abu Musa: A man came to the Prophet and asked, "O Allah's Apostle! **What kind of fighting is in Allah's cause?** (I ask this), for some of us fight because of being enraged and angry and some for the sake of his pride and haughtiness." The Prophet raised his head (as the questioner was standing) and said, "**He who fights so that Allah's Word (Islam) should be superior, then he fights in Allah's cause.**"

Terror

[8.12] When your Lord revealed to the angels: I am with you, therefore make firm those who believe. **I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them.**

Three other ayats describe Allah as casting terror in the past or future tense. They are 3.151, 33.26 and 59.2. They are ratified by this ahadith:

Sahih Bukhari Volume 4, Book 52, Number 220: Narrated Abu Huraira: Allah's Apostle said, "I have been sent with the shortest expressions bearing the widest meanings, and **I have been made victorious with terror (cast in the hearts of the enemy), and while I was sleeping, the keys of the treasures of the world were brought to me and put in my hand.**" Abu Huraira added: Allah's Apostle has left the world and now you, people, are bringing out those treasures (i.e. the Prophet did not benefit by them).

Muhammad was bragging about his terrorism **I have been made victorious with terror!!!** The founder of Islam was a terrorist. Is there any wonder why salafists are engaged in terrorism in the current era? Is there any doubt that his mission was mercenary : **the keys of the treasures of the world were brought to me and put in my hand.**

Perpetual War

8:39. **And fight them until there is no more Fitnah**(disbelief and polytheism: i.e. worshipping others besides Allâh) and the **religion (worship) will all be for Allâh Alone** [in the whole of the world]. But if they cease (worshipping others besides Allâh), then certainly, Allâh is All-Seer of what they do.

Performance

Abu Dawud

Book 14, Number 2737: Narrated Abdullah ibn Umar: **The Apostle of Allah (peace_be_upon_him) sent a detachment to Najd.** I went out along with them, and **got abundant riches.** Our commander gave each of us a camel as a reward. We then came upon the Apostle of Allah (peace_be_upon_him) and **he divided the spoils of war among us. Each of us received twelve camels after taking a fifth of it.** The Apostle of Allah (peace_be_upon_him) did not take account of our companion (i.e. the commander of the army), nor did he blame him for what he had done. Thus each man of us had received thirteen camels with the reward he gave.

9:29. **Fight against those who (1) believe not in Allâh, (2) nor in the Last Day, (3) nor forbid that which has been forbidden by Allâh and His Messenger (4) and those who acknowledge not the religion of truth (i.e. Islâm) among the people of the Scripture (Jews and Christians), until they pay the Jizyah with willing submission, and feel themselves subdued.**
