

1. I just searched the Noble Qur'an for 'neighbor' and 'love your'. Neither search returned any matches! But I did find several ayats telling Muslims not to befriend disbelievers, here is one of them:

4:144. O you who believe! **Take not for Auliya' (protectors or helpers or friends) disbelievers instead of believers.** Do you wish to offer Allâh a manifest proof against yourselves?

2.

I just searched the Noble Qur'an for 'welcome' & 'neighbor'. Neighbor returned no hits, welcome returned two: 38:55. This is so! And for the Tâghûn (transgressors, disobedient to Allâh and His Messenger - disbelievers in the Oneness of Allâh, criminals, etc.), will be an evil final return (Fire),...

38:59. **This is a troop entering with you (in Hell), no welcome for them! Verily, they shall burn in the Fire!**

38:60. (The followers of the misleaders will say): "Nay, you (too)! **No welcome for you!** It is you (misleaders) who brought this upon us (because you misled us in the world), so evil is this place to stay in!"

3. 'Common' is not used in that context in the Qur'an. It had only one hit, at 24:62. 'humanity' & 'dignity' are not used in that context, either, but 'people of the book' is found in 9:29, previously cited! **{Fight them...until they submit...}**

President Clinton treated terror attacks as common criminal acts to be prosecuted, not retaliated against. He blew up a few empty buildings. As a result, the terrorists were emboldened, and 3000 were murdered in N.Y.C. & Washington D.C.

I have already demonstrated that President Clinton misrepresented Islam. You can learn more by reading Surahs 8, 9 & 48 of the Qur'an and the Jihad Hadith. If you use Windows, you can download them from <http://www.geocities.com/crusadersarmory/> otherwise, you can read them online from links on the site.

September 21, 1998 REMARKS OF THE
PRESIDENT WILLIAM JEFFERSON
CLINTON TO THE UNITED NATIONS
GENERAL ASSEMBLY

http://www.un.int/usa/98_154.htm

Some people believe that terrorism's principal fault line centers on what they see as an inevitable clash of civilizations. It is an issue that deserves a lot of debate in this great hall. Specifically, many believe there is an inevitable clash between Western civilization and Western values, and Islamic civilizations and values. I believe this view is terribly wrong. **False prophets may use and abuse any religion to justify whatever political objectives they have -- even cold-blooded murder.**1 Some may have the world believe that almighty God himself, the merciful, grants a license to kill. **But that is not our understanding of Islam.** ...2 The 6 million Americans who worship there will tell you there is no inherent clash between Islam and America. Americans respect and honor Islam....When it comes to terrorism there should be no dividing line between Muslims and Jews, Protestants and Catholics, Serbs and Albanians, developed societies and emerging countries. **The only dividing line is between those who practice, support, or tolerate terror, and those who understand that it is murder, plain and simple....**3

1. Muhammad was a false prophet, and that is exactly what he did! Abu Dawud Book14, Number 2635: Narrated Anas ibn Malik: The Prophet (peace_be_upon_him) said: **I am commanded to fight with men till they testify that there is no god but Allah, and that Muhammad is His servant and His Apostle, face our qiblah (direction of prayer), eat what we slaughter, and pray like us. When they do that, their life and property are unlawful for us except what is due to them.** Qur'an 9:111. Verily, **Allâh has purchased of the believers their lives and their properties; for the price that theirs shall be the Paradise. They fight in Allâh's Cause, so they kill (others) and are killed.** It is a promise in truth which is binding on Him in the Taurât (Torah) and the Injeel (Gospel) and the Qur'ân. And who is truer to his covenant than Allâh? Then rejoice in the bargain which you have concluded. That is the supreme success. Jihad is not a distortion of Islam, it is what Muhammad preached and practiced!

2. Whose understanding governs Islam, ours or theirs? How did Muhammad understand it?

Quran 9:29. **Fight against those who (1) believe not in Allâh, (2) nor in the Last Day, (3) nor forbid that which has been forbidden by Allâh and His Messenger (4) and those who acknowledge not the religion of truth (i.e. Islâm) among the people of the Scripture (Jews and Christians), until they pay the Jizyah with willing submission, and feel themselves subdued.**

3. The dividing line is Islam! Jihad is an intrinsic function; a sacrament of Islam, as proven by the quotations in the two previous points. Muhammad was commanded to fight with men until they submit; to **fight** against Jews & Christians until they **submit**, are subdued and **pay extortion**. Terrorism is not a deviation from orthodox Islam, it is orthodox Islam! Muhammad even boasted of it: Sahih Bukhari Volume 4, Book 52, Number 220: Narrated Abu Huraira:

Allah's Apostle said, "I have been sent with the shortest expressions bearing the widest meanings, and **I have been made victorious with terror (cast in the hearts of the enemy), and while I was sleeping, the keys of the treasures of the world were brought to me and put in my hand.**
