

Have 58 years of "restraint", compromise, concession, good will gestures & negotiation obtained peace and security for Israel? What makes anyone dream that such idiotic policies will obtain peace or security for us?

Islam is a predatory institution which can not be contained. It promises eternity in a celestial bordello in return for being killed in battle(9.111). It threatens pacifists and shirkers with eternal hellfire and promises 72 Houris to Shaheeds.

In an age when the mangonel was the high tech weapon, Islam conquered an empire that stretched from the border of China to the border of France. What will it accomplish with modern weapons? What will restrain it from using any weapon it can obtain?

"Embrace Islam and you will be safe." But you will be a Dhimmi, subjected to extortion, assault, and subhuman status, without legal protection and prohibited from owning a weapon.

Will you waste the blood, sweat, tears & fortunes of the patriots who sacrificed to make and keep America the world's lamp of liberty? Or will you rise up and disrespectfully demand honesty, integrity and effective action from our elected officers and representatives? The choice is yours, and it is incumbent upon you to choose immediately and wisely!!

My decision must be obvious to you. I have created a web site and populated it with downloadable Qur'an & Hadith files, with links to other resources, and with these flyers.

I am active in Paltalk chatrooms, and in various forums and message boards. I have authored and posted several online petitions, designed to educate and motivate my fellow citizens.

In this time of increased threat, with the failed bombing in Norman, OK., and the subway bombing plot fresh in the news, (Oct. '05) it is time for an awareness of deterrence. Mutually Assured Destruction has no benefit against men convinced that they will gain admission to a celestial bordello with rivers of wine and 72 Houris. Only a threat to one of the Pillars of Islam: the Hajj, can raise the cost of terrorism above their threshold value. We must promise to destroy Mecca & the Kaab'a in the event of any further attack, nothing less will suffice. I urge you to go immediately to <http://www.geocities.com/crusadersarmory/> click the link to the Target: Mecca Petition, read it; sign it and email a link to it to your entire address book! To make copies of this flyer, click the **FlyersTo Print** link.

When I'm Dead  
&  
In My Grave  
No More  
**Terror**  
Will I Crave!

## Quranic Sanctification of Terrorism:

3:151. **We shall cast terror into the hearts of those who disbelieve**, because they joined others in worship with Allâh, for which He had sent no authority; their abode will be the Fire and how evil is the abode of the Zâlimûn (polytheists and wrong-doers).

8:12. (Remember) when your Lord inspired the angels, "Verily, I am with you, so keep firm those who have believed. **I will cast terror into the hearts of those who have disbelieved, so strike them over the necks, and smite over all their fingers and toes.**"  
33:26. And those of the people of the Scripture who backed them (the disbelievers) **Allâh brought them down from their forts and cast terror into their hearts, (so that) a group (of them) you killed, and a group (of them) you made captives.**

59:2. He it is Who drove out the disbelievers among the people of the Scripture (i.e. the Jews of the tribe of Banî An-Nadîr) from their homes at the first gathering. You did not think that they would get out. And they thought that their fortresses would defend them from Allâh! **But Allâh's (Torment) reached them from a place whereof they expected it not, and He cast terror into their hearts**, so that they destroyed their own dwellings with their own hands and the hands of the believers. **Then take admonition, O you with eyes (to see).**

Notice the common element in those four ayats: **cast terror** into their hearts

**Now observe the Hadith, wherein Muhammad is found bragging about his terrorism:**

Sahih Muslim Book 004, Number 1062:  
Abu Huraira reported that the Messenger of Allah (may peace be upon hlmg) said: I have been given superiority over the other prophets in six respects: I have been given words which are concise but comprehensive in meaning; **I have been helped by terror (in the hearts of enemies): spoils have been made lawful to me:** the earth has been made for me clean and a place of worship; I have been sent to all mankind and the line of prophets is closed with me.

Book 004, Number 1063:  
Abu Huraira reported: The Messenger of Allah (may peace be upon him) said: I have been commissioned with words which are concise but comprehensive in meaning; **I have been helped by terror (in the hearts of enemies): and while I was asleep I was brought the keys of the treasures of the earth which were placed in my hand.** And Abfi Huraira added: The Messenger of Allah (may peace be upon him) has left (for his heavenly home) and you are now busy in getting them.

In the Qur'an, Allah is depicted as having **cast terror** into the hearts of disbelievers & promising to do repeat the act. In the Hadith, Muhammad brags about being **made victorious by terror!!**

Whats more, he **claims title to all the world's treasures** and his companions are described as "busy in getting them" .

Islamic terrorism is a function of Islamic doctrine, enshrined in the Qur'an & exemplified by Muhammad's Sunnah. It is not a function of poverty, ignorance, illiteracy, disease, repression, suppression, anger, or anything other than Allah's curseworthy commandment:

Abu Dawud Book 14 Number 2635

Narrated Anas ibn Malik:

The Prophet (peace\_be\_upon\_him) said: **I am commanded to fight with men till they testify that there is no god but Allah, and that Muhammad is His servant and His Apostle, face our qiblah (direction of prayer), eat what we slaughter, and pray like us. When they do that, their life and property are unlawful for us except what is due to them. ...**

Muslims are commanded by their demon to **fight until we submit and pay extortion**(9.29); **murder & mutilate us**(8.12). They have been thus engaged, with variations of scale and intensity, for 1395 years.
