

Dr. Bostom quotes Al-Ghazali [Sufi are supposed to be pacifists!]:

[O]ne must go on jihad (i.e., warlike razzias or raids) at least once a year...one may use a catapult against them [non-Muslims] when they are in a fortress, even if among them are women and children. One may set fire to them and/or drown them...If a person of the Ahl al-Kitab [People of The Book – primarily Jews and Christians] is enslaved, his marriage is [automatically] revoked...One may cut down their trees...One must destroy their useless books. Jihadists may take as booty whatever they decide...they may steal as much food as they need...

So, Islam is compatible with democracy & liberty?

"Islam wishes to destroy all States and Governments anywhere on the face of the earth which are opposed to the ideology and programme of Islam regardless of the country or the Nation which rules it. The purpose of Islam is to set up a State on the basis of its own ideology and programme, regardless of which Nation assumes the role of the standard bearer of Islam or the rule of which nation is undermined in the process of the establishment of an ideological Islamic State." --Sayeed Abdul A'la Maududi, Jihad in Islam p9  
Quoted at islamistwatch.org

Study this fatwa carefully:

In Summary, Parliament is a body which legislates, people are sovereign and the source of legislation, and MP's are chosen by the people to legislate on their behalf.

The Islamic verdict on the above:

1- Anybody who believes that almighty Allah (SWT) is not the only, exclusive Legislator and Commander is a disbeliever i.e. Kaafir.

2- Anybody who believes in Almighty Allah (SWT) and associates anyone else with Him, contravening his being the sole legislator and commander is a Mushrik i.e. associates another as partner unto Allah (SWT).

3- Any Muslim who votes for a person knowing that the Parliament is a body of legislating law is an apostate.

4- Any Muslim who participates in elections to become an MP knowing the reality of Parliament as a legislative House is an apostate.

5- Any Muslim who does not know the reality of Parliament and he votes is sinful because he did not seek

the divine ruling for his action before committing it, since the Juristic Principle is that every action, verbal or physical, must be based on an Islamic ruling which is derived solely from the Qur'an and Sunnah. [Emphasis added.]

Sheikh Omar Bakri Muhammad  
Judge of The Shari'ah Court of the UK  
FATWA No: L/221 – 20 Safr 1422 15th May 2001 No to the Elections

In consideration of the concept of Dhimmitude; of subjugation of conquered peoples, your claim is entirely discredited. Yeah, right, Islam is peaceful, benevolent, liberty and democracy in action:

Our Prophet, the Messenger of our Lord, may Allah bless him and grant him peace, has commanded us to fight you until you worship Allah alone or pay the jizya. Out Prophet, may Allah bless him and grant him peace, has informed us from the message of our Lord: whoever of us is killed will go to the Garden in bliss whose like he has never seen. Whoever of us remains will be your masters.' Sahih Bukhari Ch. 63 # 2989 st sunnipath.org.

Both al-Zawahiri & bin Laden have recently issued new threats. There is a recent pattern of attack following 30 days after the second threat in a series. That focuses the threat on Super Bowl Sunday. Considering the fact that Joel Henry Heinrichs ushered himself into eternal Hellfire outside a Sooner's game at Norman Ok., October 1, perhaps you should be taking this seriously.

We need a deterrent, and because Muslims seek death in battle, mutually assured destruction is of no use against them. You must promise to retaliate against the only site and object of value to Islam: the Kaaba and the stone idol therein contained. Nothing else can deter the next attack, and you can not effectively guard every soft target 24/7/365!

Mr. President, If you retain any scintilla of human decency or fidelity to your oath of office, you will immediately designate Mecca to be our default target for retaliation in the event of any further attack on our soil. Knowing you to be a liar as proven above, I have no hope that you will act. I therefore call upon my fellow citizens to take action:

1. Inform yourselves about Islam. Click the following links and read them carefully before signing the petitions.

- \* Congress Debate Koran
- \* United Nations: Investigate the Koran
- \* Target: Mecca
- \* Defund HAMAS

2. Spread the word. Those petitions are not pc, so the mainstream media will not cover them. Send petition links to

everyone in your address book and to President Bush, U.N. Ambassador John Bolton, your Representative and your Senators.

The congressional & U.N. petitions are near duplicates, but they are directed to separate jurisdictions. They were designed to serve as educational instruments. There is little hope of obtaining the desired Presidential or Congressional action, but there is no hope at all if we do not try! The more broadly you spread the petition links, more of our fellow citizens will become informed, and add their demands to our demands for action.

Thank you for taking the time to learn the truth!  
Sincerely,  
Ben Powell

# An Open Letter to President G. W. Bush

Dear Mr. President:

Many years ago, in a fit of youthful idealism, I swore a profane oath: that I will not, under penalty of eternal damnation, knowingly vote for a liar. I have faithfully kept that oath, writing in Jesus Christ for President on three occasions, the latest of which was November 2 of 2004. That most recent performance of my oath was triggered by your deceptive description of Islam as:

- \* "a great religion of peace"
- \* "fully compatible with democracy"
- \* "fully compatible with liberty"
- \* "hijacked by extremists"

In your State of the Union Address you repeated the deception:

"... And one of the main sources of reaction and opposition is radical Islam - the perversion by a few of a noble faith into an ideology of terror and death. Terrorists like bin Laden are serious about mass murder - and all of us must take their declared intentions seriously. ... " [Emphasis added.]

You ascribe greatness & nobility to an ideology which sanctifies the most evil acts:

- \* mandatory Jihad: world conquest: Surah 2:216
  1. against disbelievers until "only Allah is worshiped": Surah 8:39
  2. against Jews & Christians until they "submit" and "pay Jizyah", in a subdued state of subjugation: Surah 9:29.
- \* terrorism:
  1. "We shall cast terror into the hearts of those who disbelieve, because they joined others in worship with Allāh...": Surah 3:151
  2. ..."I will cast terror into the hearts of those who have disbelieved, so strike them over the necks, and smite over all their fingers and toes." Surah 8:12
  3. ..."Allāh brought them down from their forts and cast terror into their hearts, (so that) a group (of them) you killed, and a group (of them) you made captives.": Surah 33:26
  4. ..."But Allāh's (Torment) reached them from a place whereof they expected it not, and He cast terror into their hearts...": Surah 59:2.
- \* genocide: "It is not for a Prophet that he should have prisoners of war (and free them with ransom) until he had made a great slaughter (among his enemies) in the land. You desire the good of this world (i.e. the money of ransom for freeing the captives), but Allāh desires (for you) the Hereafter. And Allāh is All-Mighty, All-Wise.": 8:67.[Emphasis added.]

Any sentient person possessing a scintilla of residual morality who will read Surahs

- \* 8
- \* 9
- \* 47
- \* 48
- \* 61

of the Qur'an will immediately realize that Islam is not peaceful! Muhammad, Islam's founder, was a terrorist, and bragged about it! Any sentient person who will read the following Hadith

- \* Sahih Bukhari # 52 Jihad
- \* Sahih Bukhari # 53 Khumus
- \* Abu Dawud Book 14 Jihad
- \* Malik's Muwatta Book 21 Jihad
- \* Sahih Muslim Book 19 Jihad

will immediately recognize the fact that Muhammad practiced what he preached!

Sahih Bukhari Volume 4, Book 52, Number 220:  
"I have been made victorious with terror (cast in the hearts of the enemy), and while I was sleeping, the keys of the treasures of the world were brought to me and put in my hand." ...[Emphasis added.]

Muhammad, Islam's founder, committed genocide against a Jewish settlement:

Sahih Bukhari Volume 5, Book 59, Number 512:  
Narrated Anas:  
The Prophet offered the Fajr Prayer near Khaibar when it was still dark and then said, "Allahu-Akbar! Khaibar is destroyed, for whenever we approach a (hostile) nation (to fight), then evil will be the morning for those who have been warned." Then the inhabitants of Khaibar came out running on the roads. The Prophet had their warriors killed, their offspring and woman taken as captives. Safiya was amongst the captives, She first came in the share of Dahya Alkali but later on she belonged to the Prophet . The Prophet made her manumission as her 'Mahr'.

Abu Dawud Book 38, Number 4390: Narrated Atiyyah al-Qurazi: I was among the captives of Banu Qurayzah. They (the Companions) examined us, and those who had begun to grow hair (pubes) were killed, and those who had not were not killed. I was among those who had not grown hair. [Emphasis added.]

Prior to the genocidal attack revealed above, Muhammad dictated & dispatched an extortion letter. Here is the text of

that letter:[and many even more egregious]

In the name of Allah, the Compassionate, the Merciful From Muhammad, the Prophet of Allah who is like Moosa (Moses A.S.) a prophet and messenger and he testifies to what Moosa (A.S.) had brought. O people of Torah, has Allah not stated in the Torah that "Muhammad (S.A.W.) is a Prophet of Allah. The people who will be with him, shall be harsh towards the enemies of Allah. And amongst themselves, they shall be kind and loving. They shall bow and prostrate before Allah. And they shall seek His bounty and goodwill". I ask you to swear by Allah, who sent Torah for you and who made your forefathers eat 'mann, and 'Salva' and dried sea for them and rid them of the tyranny of pharaoh. It is not written in Torah that you should believe in me? After the explanation about me in the Torah, do guidance and transgression become apparent? Therefore I invite you towards Allah and His Prophet.' Seal: Allah's Prophet Muhammad

What is Allah's prime directive?

Abu Dawud Book 14, Number 2635:

Narrated Anas ibn Malik:

The Prophet (peace\_be\_upon\_him) said: I am commanded to fight with men till they testify that there is no god but Allah, and that Muhammad is His servant and His Apostle, face our qiblah (direction of prayer), eat what we slaughter, and pray like us. When they do that, their life and property are unlawful for us except what is due to them. They will have the same rights as the Muslims have, and have the same responsibilities as the Muslims have. [Emphasis added.]

Clearly, there is an unstated premise: until you submit, your life and property are lawful prey for Muslims!!! Examine how Sharia interprets the commandment:

Al-Shafi'i (God have mercy on him) said: "The least that the imam must do is that he allow no year to pass without having organised a military expedition by himself, or by his raiding parties, according to the Muslims' interest, so that the jihad will only be stopped in a year for a (reasonable) excuse." He said: "If he did not undertake the sending of enough troops to fight, those who are absent (must) go out, and consider as an obligation that which God (who is praised) said." I said: "What I have mentioned showed that if a group was needed to carry out an expedition, [f. 175 a] our duty was incumbent on all of them. That was in something similar to this situation which we are in now with this group attacking the country of Islam..."
