

MSMTA Student Scholarship for Performance

In 1988, the Board of Directors of the Maryland State Music Teachers Association established a grant program for the Local Associations with the following criteria:

- A \$100.00 award is available annually to each MSMTA Local Association as a Student Scholarship Award for Musical Performance.
- A student may win this award only one time, regardless of the number of Local Association competitions he/she enters.
- The award may not be divided; it must go to one individual.
- The Local Association shall determine the specifics of eligible instrumental or vocal categories, literature requirements, and age levels. The competition is held under the auspices of the Local Association, but the State Chair must first approve the competition and eligibility requirements.
- The competition may be a separate one, or may be in conjunction with an existing competition, but the prize must be a separate one called Maryland State Music Teacher's Association Scholarship for Performance.
- With these specific criteria, all association teachers and their students should be provided equal access to the award, even those holding active membership in more than one association.

Please notify the State Chair of the winning student's name so that a certificate may be awarded with the prize money. Awards will be sent to the Local Association President for presentation. Whenever possible, the State Chair will attend a special function to personally make the presentation on behalf of MSMTA.

Joselyn Makowski, State Chair
2329 Blue Valley Drive
