Scoutmaster's Camporee

Fifteen Webelos scouts attended the Scoutmaster's Camporee at Markham Park at the end of February. Despite cloudy skies throughout the weekend, the rain held off except for a fairly brief period on Sunday morning and everyone had an excellent time.

This year's theme was "Our Civil War Legacy - a Nation United."

Saturday morning was full of competitive activities for the Webelos scouts in which the Webelos of pack 360 did very well.

The scouts of the Roadrunner Patrol brought home the first place ribbon for scout spirit. Their numbers were small but they were mighty! The scouts of the Dragon Patrol brought home a first place ribbon in the Underground Railroad event and a second place ribbon in the Clara Barton Field Hospital event.

Saturday afternoon, the Webelos were able to visit the Boy Scout side of this event and experience a number of activities as well as visit Boy Scout campsites to see how they are set up and see some spectacular gateways. Then they headed back towards the Webelos section, stopping along the way to view a reenactment of the Civil War between the Confederate

and Union armies. They also visited their campsite where they were able to learn more about the Civil War.

After that, they joined the Boy Scouts in a parade, and later that night, at a stadium show complete with fireworks.

Some of those fireworks were created by the scouts and leaders themselves and it was announced that Pack 360 won second place in the Webelos gateway competition and first place in the Webelos Campsite competition as well as (drum roll, if you please) first place overall.

Thanks to all the scouts, parents, and leaders who worked so hard to make Scoutmaster's Camporee such a winning and enjoyable weekend.

PACK 360'S 4TH ANNUAL

Once again, your Event Coordinators (EC) have worked their magic in creating one of the most innovative and enjoyable fundraising efforts ever. Our scouts will learn bicycle safety and etiquette, while being challenged by various other pit-stop follies throughout the day's events. The afternoon will be marked by a parent/scout kickball challenge between the Tiger and Wolf families, while our Bear and Webelos scouts practice gateway design and construction with the Boy Scouts of Troop 360. Later, our Bear and Webelos scouts will have the opportunity to participate in a "Whittlin' Chip" course. Saturday evening's campfire will also be the site of the distribution of the scouts' advancements and event recognition. See y'all there.

Eagles Patrol Den 5

It has been a VERY busy time for the Scouts in the Eagle Patrol. As they complete their final year in Cub Scouts, many of our Scouts have accomplished great things in recent months. In addition to the advancements listed, our Patrol participated in the Pack Pinewood Derby, which was hosted by the Eagle Patrol. Ari Feingersch and Zachary Cihak placed 2nd and 3rd respectively in the Webelo 2 division. We also joined Troop 360 camping at C.B. Smith Park. As we look back on all of our years with Pack 360, we are reminded of great times and great friends that we have made. Many of our Scouts have been together since Tigers. That, in itself, says so much.

We are proud to recognize our Scouts who have earned the highest award a Cub Scout can receive. The following Scouts have earned their Arrow of Light:

- ☺ Zachary Cihak
- ☺ Ari Feingersch
- ☺ Andrew Gallagher
- ☺ Phillip Harrinarine

Den 7

The active scouts of Den 7 have all earned their Wolf badges and are plugging away at electives and extra awards. We recently spent two den meetings earning our tennis beltloop. We learned all about birds and bird watching. We're working on inventions at home and we're half way to our world conservation award. We also have a couple of families working toward the BSA family award.

We still have big plans for the remainder of the school year so watch and see what we have planned for the next two months.

Our scouts' advancements are as follows:

- ☺ Matthew Shapiro: Ultimate, Map and Compass, Geology, and Tennis beltloops. 4 arrow points
- ☺ Logan Naranjo: Ultimate, Map and Compass, Geology, and Tennis beltloops. 5 arrow points
- ☺ Koby Nachenberg: Ultimate, Map and Compass, and Geology beltloops. 3 arrow points

Happy 8th Birthday to Matthew Shapiro!

Den 3

Den 3 has been very busy since January working on the Physical Fitness and Communications Belt Loops. We have learned the importance on good diet and exercise as well as the dangers of drugs and alcohol. We have learned about all forms of communication, including non-verbal communication, tools used in communication and how to write

as a form of communication such as writing letters and invitations. Also, Seth Adler, Dominic Dodge, Michael Klasen, Dylan Hipschman, Joshua Sandner, Wyatt Krause and Brandon Perez all earned Belt Loops at the Derby Daze in February for Geology, Ultimate and Map & Compass. Recently we have learned about different forms of Transportation and

all the changes in transportation over the past 75 years. And last but not least, we have a new Tiger Scout join Den 3 - his name is Jacob Ohlson. Welcome Jacob!

Dragon Patrol Den 2

This is the last Pack meeting for the members of the Dragon Patrol. It's been an exciting month of lasts, firsts, and some sadness as we prepare to crossover into Boy Scouts. Being a part of Pack 360 has been a wonderful experience for all of us leaders, scouts and parents, and we will miss Pack 360. However, don't expect to miss most of us too much though as we begin our

experience with Troop 360.

The Dragon Patrol was a proud participant in the Scoutmaster Camporee at the end of February. The Patrol earned a first place ribbon in the Underground Railroad event and a second place ribbon in the Clara Barton Field Hospital event, as well as being a member of the award winning Webelos of Pack 360. We also had scouts participate in the Derby Daze activities and the Pinewood Derby.

But, saving the best for last, we are extremely proud of all the scouts of the Dragon Patrol, all of whom earned their Arrow of Light Award. Can't get any better than 100%!!! Congratulations to Will Austin, Kevin, Berhens, Jonathan Engen, Nathan Hitt, Gabriel Mora and Danny Somers for a job well done. Sitting on these young men's Boards of Review was an honor. Thank you for all your hard work. It really showed and Tra and I could not be more proud.

Den 8

Another busy two months for the Den 8er's of Pack 360!

Thank you Tyler Paula & Sam Sternfield as our February 2005 Denner & Asst. Denner's of the Month. For

March, Sam was promoted to Denner of the Month & Alex Greenberg was promoted to Asst. Denner of the Month.

In February 2005 we had three Den meetings and our Den 8er's designed their invitations, place mats and built their Centerpiece for the Blue & Gold Banquet. I want to thank Sam's dad, Charles Sternfield for spearheading the construction of our Den 8 Centerpiece. During the Blue & Gold Banquet, Michael Getter & Logan Brodzki were presented their Bear Scout Badges.

Tyler Paula on his crutches lead the rest of his Den 8er's (Michael, Sam, Alex, Logan & Brent) up to the stage as all of our Bear Scouts passed their Uniform Inspections! All of our parents were in attendance for the Blue & Gold Event to show their support.

At the Derby Daze & Beltloop Barrage Campout on February 18th-20th. Sam and Michael took 2nd and 3rd place in the Space Ship Derby! In addition, Alex, Logan, Sam & Michael earned their Geology, Maps & Compass & Ultimate Belt Loops.

On February 22nd, we had our den meeting at Sam's house for a night of Arcades! In the Sternfield home were a variety of arcade games such as an Air Hockey game, Foosball Table, Skee-Ball game, Ms. Pac Man & Galaga Video games for our scouts to enjoy. It felt like we were at Boomers in Boca Raton!

During our next den meeting on March 1st, we started working together on Achievement 4 "Tall Tales" and completed this achievement at the following den meeting. Congratulations to Tyler for finally getting his leg cast removed!

The Bear Scout Den 8er's had a very productive day at the Pack 360 Pinewood Derby winning a total of 6 awards! Michael won 1st place in the Pinewood Derby race & won the Most Unique Car Category, Sam won 2nd place in the Pinewood Derby race, Brent won 3rd place in the Pinewood Derby race & won the Most Original Car Category & Logan won the Best Wedge Car Design Category. Scott Cihak, Den Leader for the Webelos 2 Eagle Patrol presented our Den 8 Bears with a new Eagle Patrol Patch as next year's Webelos 1 Eagle Patrol. Thank you Scott and good luck in the Boy Scouts next year.

During our March 15th & 22nd den meetings, the Den 8er's built their very own compasses. They also started to learn all about compasses with help from our Den 8 parents. Most of our Den 8er's earned their Maps & Compass Belt Loops and Academic Pins. Our boys have started to learn how to tie square knots, Clove Hitches & the next knot they will learn to tie is the Taut-Line Hitch. During the Bike-A-Thon, our Bears will start to learn how to build gateways & this will be a perfect opportunity for our Bears see how these knots are actually used in Scouting. Our goal is to have all of our Bears know how to tie Square Knots, Bowline Knots, Taut-Line Hitches, 2 Half Hitches and a Clove Hitch. These knots will come in handy when they crossover as Webelos.

That is it for now but stayed tuned for next month's activities!

Den 9

Den 9 can not believe it is already the end of March! Time flies when we are having fun!! Between working on the Bear requirements, participating in the Raingutter Regatta, Space Derby, Pinewood Derby, camping and our other activities, we have barely no time left...

Devon and Russell did complete all the requirements for their Bear Badge. They were very proud to receive their badges at Blue and Gold.

Now that we are officially Bears, we are looking into getting ready for Webelos next

year. We started by deciding on the name for our patrol...

DEN 9 IS NOW THE COBRA PATROL!!

Den 4

First of all our Den 4 parents would like to congratulate our Tigers for earning their Tiger Badge:

- ☺ Brady Azzara ☺ John Hackler
- ☺ James Chang ☺ George Santiago
- ☺ Cody Cohan ☺ Timothy Uher
- ☺ Paul Demars ☺ Derrick Vaz
- ☺ Andres Figueroa

All our boys worked very hard and we are very proud of their accomplishment. As a

den leader I want to congratulate not only our enthusiastic Tigers but also our dedicated parents that help motivate our sons to work hard at completing their achievements. This is quality time at its best!

The Space Derby/Raingutter Regatta and BeltLoop Barrage campout was so much FUN! Our boys, and parents, proudly displayed their creations for the competitions. Brady, Cody, Andres and John competed in the Raingutter Regatta. Brady, Andres and John also competed in the Space Derby. And everyone had a BLAST!

At the Beltloop Barrage Brady, Cody, Andres

and John earned the Ultimate, Map & Compass and Geology Belt Loops.

Our Den also won some great prizes at the Blue and Gold with our desserts and centerpieces.

At our last Den meeting the boys learned about marbles and played some games.

James, Cody, Paul, Andres, John, George, Timothy and Derrick all earned their marbles Belt Loop.

Keep up the good work!

Den 14

Den 14 added a new member. His name is Alex Barnett and he has recently relocated to Coral Springs. We all welcome him.

Several of our members joined Pack 360 for the Derby Daze and Beltloop Barage. We even had a family member, Ashton Schultz, earn first place in the open category of the Rain Gutter Regatta and second place in the Space Derby! Our Den Leader, Mr. Seth was unable to attend the Pack activity. He was busy with other

Pack members at the Wood Badge Training. We missed Mr. Seth and Austin!

At the Pinewood Derby, Cameron Schultz and Austin Leverage both placed. Also, Jason King Sr. won first place for the open division.

The cubs are continuing to work towards their wolf badge, arrows, and belt loops. The following boys have earned awards this month:

- ☺ **Andrew Abreu:** geology, compass, ultimate Frisbee
- ☺ **Alex Barnett:** geology, compass, ultimate Frisbee

☺ **Jason King:** geology, compass, ultimate Frisbee

☺ **Travis Kisner:** geology, compass, ultimate Frisbee

☺ **Matt Palumbo:** geology, compass, ultimate Frisbee

☺ **Cameron Schultz:** geology, compass, ultimate Frisbee

We are all raising money for the bike-a-thon!!!! See you there!!!!

Den 12

We have been having a great time this month. We raced our Space Ships, Rain Gutter Regatta boats and our Pine Wood Derby cars. We all did our best and some did better than others, but we all had a spectacular time building, painting and competing with our friends. We even tried to hit Mr. Don's thumb while driving nails. Afterwards we surprised him with a yummy birthday cake.

We have been working hard on our Wolf badges making sure to meet all the requirements.

A special thanks to Parkland City Commissioner, Michael Udine for the awesome tour of City Hall, where we got Fire Balls and Keys to the city from the Assistant Mayor. There is a display in the Library that has a piece of steal

from the World Trade Center. The new Police Station was cool but the Police Chief couldn't close the cell door because he didn't have the key to open it back up. We also saw the new Fire House, which doesn't even have a pole. They need a new Fire House, for the current one is a camping trailer. All in all, it's been a spectacularly busy month.

Roadrunner Patrol

A warm welcome to our newest scout Alex Fernandez. ☺

Our scouts have been actively working on their Craftsman Activity Badge

this month and some are achieving their Artist, Geologist, Readyman, and Family Badges as well.

Good luck to all for the Bike-A-Thon! Let's make this the best one ever!

Den 10

We are very proud of the boys of DEN 10. They have been working very hard this year and have achieved their Tiger Cub rank. The boys have enjoyed the weekend pack outings. Recently, during their last "Go See" outing, they toured "Advanced Cable Communications" Studios in Coral Springs. As a result, the boys can be seen and heard on Channel 11 for those who have Advanced Cable! The boys are currently working on their bobcat badge and are looking forward to learning and doing more as Cub Scouts!

I promise to do
my best
To do my duty to God
and my country,
To help other people,
and
To obey the Law of
the Pack.

Lighthouse District Pinewood Derby

The Lighthouse District Pinewood Derby was held March 12th at Calvary Chapel in Ft. Lauderdale. The top 3 winners from each scout rank in Pack 360's Pinewood Derby advanced to the District level for a chance to compete against other winners from other Packs.

It was exciting to see all the different car styles and designs. Pack 360 had an

excellent showing. Devyn Dodge came away with a 3rd place trophy in the Open Division. Certificates and medals were also awarded the following scouts for their accomplishments in style and design:

- ☺ Best Paint Job: Josh Sandner
- ☺ Most Original Design: Jonathon Engen
- ☺ Most Aerodynamic: Seth Adler
- ☺ Strangest Shape: Michael Engen

☺ Overall Best of Show: Seth Adler

Congratulations to all for a job well done and a good time!

Derby Daze

After a few setbacks, Pack 360 proved once again that no matter what comes our way, we can put together one awesome weekend!

We started with some conflicts in scheduling, which resulted in three events in one weekend. We then add in changing some district training dates, which resulted in some of our main planners not being able to be present during the actual event. (We do thank Dennis and Seth for all their work before they headed off to Wood Badge.) A few more ups and downs in the planning... but we managed to have one fun weekend. Weather was perfect, campsite was beautiful, food was good, and most importantly the boys had fun! Saturday morning we had our Raingutter Regatta and Space Derby competitions. In the afternoon, we worked on the Map & Compass, Geology and Ultimate Beltloops.

Thank you to all those that helped either planning or during the weekend - we proved that Pack 360 is not just one or two people - it is all of us working together so that our boys can have an awesome experience!
