Face painting at the Passaic Community Health Fair

Passaic, NJ October 14, 2006 – For the third year in a row the Omega Gamma Graduate chapter of Chi Upsilon Sigma National Latin Sorority Incorporated volunteered at the Passaic Community Health fair. The graduate chapter staffed one of the most popular tables at the fair, face painting. Children of all ages stopped by the table to have flowers, animals and flags painted on their faces.

The health fair invites all the members of the community to stop by and get free information on numerous health issues. Along with a clown, DJ and free food, the members of Omega Gamma spent the day displaying their artistic skills. Other sisters present included: Leslie Rodriguez (Alpha Alum), Alisha Martin (Sigma Alum) and Brigida Valenzuela (AP/A).

The health fair's popularity grows each year and we hope to continue to volunteer in future years. Omega Gamma graduate chapter serves the Central & North NJ area. We strive to service as many communities within our region as possible. For more information on how to get involved please contact us at cusomegagamma@yahoo.com.
