CUS Lights the Night

Hoboken, NJ September 30, 2006 – The Omega Gamma Graduate Chapter of Chi Upsilon Sigma National Latin Sorority Inc. participated in the Light the Night Walk held on September 30 at Pier A in Hoboken, NJ. This is the second year in a row that the graduate chapter actively participates in this event. Last year Jasmin Rodriguez was the event chair for the event and the sisters in Omega Gamma volunteered throughout the night by helping with registration, food and balloon distribution.

This year along with sisters from Alpha Chapter, Omega Gamma participated in the 3 mile walk held along the Hoboken waterfront. Both teams raised over \$600.00 for the Leukemia & Lymphoma Society.
