CENTRAL VIRGINIA NURSING STAFF DEVELOPMENT ORGANIZATION

WHO ARE WE?

The Central Virginia Nursing Staff Development Organization (CVNSDO), founded in June 2004, consists of members who are interested in the staff development and/or education of nurses and other healthcare workers.

We are an affiliate of the National Nursing Staff Development Organization (NNSDO), and support its mission of advancing the specialty practice of staff development for the enhancement of quality healthcare outcomes.

OUR MISSION

 To support the specialty practice of staff development for the enhancement of quality health outcomes.

 To promote specialty certification in staff development (ANCC Professional Development Certification).

 To provide for the sharing of educational information and resources.

 To encourage communication throughout the local, state, and national arenas.

 To act as a resource network to encourage and assist members in continuous development, improvement, and practice of education in health care settings.

 To provide and promote continuing education focused on staff development of nurses and/or the promotion of quality patient and organizational outcomes.

 To act as a resource for other health care professionals and organizations on staff development issues.

 To provide a forum for networking and mentoring.

MEMBERSHIP

While membership in NNSDO is not required, it is highly recommended. Active membership in CVNSDO is available to Registered Nurses whose primary responsibilities are for the staff development and education of nurses and other healthcare workers.

Associate membership in CVNSDO is available to those who are interested in the education and professional development of nurses and healthcare workers.

WHAT ARE THE BENEFITS OF MEMBERSHIP?

Networking with colleagues

Quality continuing education programs with contact hours provided

Opportunities to further develop your skills as an educator and leader

Local sharing of educational programs and ideas to support staff development
