# WELCOME BACK TO CVOC/ MUHSD/Migrant SUMMER SCHOOL 08'

Welcome back to another summer at C.V.O.C./MUHSD/Migrant Summer School. This summer will bring new and exciting challenges with students receiving 10 credits instead of 5, which means the students are working harder to improve their education as well as all our staff members. With CVOC/MUHSD Migrant Summer School having a record number of students attending at 195, it is filled with an idea

that passing the CAHSEE in the upcoming year is within the grasp. Students pull for each other day in and day out and try to achieve their goals and pass all classes.

# Sports Line

C.V.O.C./MUHSD Migrant Summer Schools first sports day came last Thursday with Mr. Ochoa's "The One's" going 4-0 winning every event they played. Following right behind them in play was both "Las Estrellas" and "Los Miserables" finishing at 3-1 on the day. With a great soccer game that ended in a tie both teams the "Fumanchu's" and "Los Relucientes" finished at 2-1-1. Picking up there first win in Soccer were the "Latino's" fighting a tough one out for the victory but just fal-

ling short each other game. Last but not least, still looking for their first wins were the "Warriors" and the "Aztecas" losing some tough games but still keeping good spirits that a win is just around the corner. Good luck to all the teams and remember, good sportsmanship is the key to having fun.
