## Rules

1. Practice fees must be paid at every practice session, credit will not be given. If you do not attend, you are required to submit your fees as if you have attended. Alternative arrangements can be made for sickness or holidays, only if notice has been given
2. No smoking around any Living History [LH] camp
3. The consumption of alcohol is prohibited prior to fighting
4. Sunglasses are not to be worn around the LH camp, unless there is a medical condition
5. Mobile phones are prohibited around the LH camp. If they are to be switched on, there must be a good reason and they must be on silent
6. The use of bad language is prohibited around the LH camp, members of the public or whilst on the battle field
7. Any disputes not concerning the club that you may have, must be kept from practice and any events attended by the club. Any disputes that could affect the club should be reported to the Master at Arms
8. Your health and safety and the health and safety of others should always be your priority
9. All clothing must be historically accurate
10. All equipment must be kept in a good state of repair
11. All swords [wood or metal] must not be carried without your membership card / training book, unless in the practice area
12. When attending events, you are responsible for:
  - a. Arranging your own transport
  - b. Arranging the transport of your equipment
  - c. Bringing your own:
    - i. Equipment
      1. Swords
      2. Armour
      3. Eating utensils etc
    - ii. Toiletries
    - iii. Clothing
    - iv. First Aid Kit
    - v. Sleeping bags
13. Convictions for violence and convictions against a minor must be disclosed
14. This is not an exhaustive list, use your own discretion
15. Remember – Have Fun!

The information I have given is correct. If any of my statements in this application are rendered untrue or found to be inaccurate, I understand that I will be called before the committee and my membership may be terminated.

I have read and understood the rules listed above

I understand that, for my safety and the safety of others, I must abide by these rules

I understand that the activities I undertake, during the normal course of training and exhibitions, can be dangerous and could cause injury. By signing below I am accepting full responsibility for my personal safety and agree not to hold any club member, or member partaking in an exhibition, for any injury to my person. If I am found negligent, I understand that I will be called before the committee and my membership may be terminated.
