

CYT Zero Tolerance Policy

In an effort to maintain a safe and productive learning environment, CYT has a zero tolerance policy with regards to certain negative behaviors. This means that any student who engages in such behavior may be immediately dismissed from the CYT program, without refund of any/all fees.

The following are behaviors for which CYT has a zero tolerance policy:

- Drugs and alcohol
- Tobacco, lighters & matches
- Sexual behavior
- Violence
- Weapons: including pocketknives

Please discuss these issues with your students and make them aware of the serious consequences to follow these behaviors.

I have read the above statement and understand that my student[s] may be dismissed from the CYT program without refund of fees should he/she engage in any of these behaviors.
