

Idaho District 2 Inter-League Rules
Softball Minors Division
2009 Season

All teams shall follow the rules as set forth in the current Little League Softball Official Regulations and Playing Rules, with the following exceptions/additions.

Objective: This program is designed to concentrate on the basic mechanics of the game and learn good sportsmanship in competition.

1. Home team shall occupy the third base side of the field and visitors will occupy the first base side. The home team will provide the official scorebook and scorekeeper.
2. Each team will furnish a minimum of one (1) District Certified umpire for all inter-league games. The home team should provide the plate umpire. If only one umpire shows up a manager, coach or parent (if district Certified) may umpire in the field. If more than two umpires are available, one shall be designated Umpire-in-Chief and the other umpires shall be field umpires [Rule 9.03(b)]. It is highly recommended that each team have their coaching staff District certified in cases where umpires may be unavailable.
3. Prior to the start of the game, the home team shall provide two (2) new balls to the home plate umpire. This league uses yellow softballs of 11" in diameter (as defined in the current Little League Softball Official Regulations and Playing rules). No marking aside from factory lettering is allowed on the balls. The plate umpire may require additional balls during the game and select the best used balls from the teams.
4. The Host team is responsible for preparing and setting up the field, to include chalking by 5:30pm. Player safety is essential and therefore it is mandatory that field prep include loosening then smoothing the dirt around 2nd & 3rd base and home plate (if on dirt field).
5. Games will begin promptly at 6:15pm.
6. Time Limit: No inning will begin after 8:15pm.
7. PITCHING: For all innings, the pitcher will continue to pitch until they have walked two batters. After that time any batter who has acquired 4 balls will then be pitched to by their manager or coach, until that batter either hits or strikes out. The Pitcher (player) will resume pitching with the next batter. There will only be two (2) walks per each half inning. The rest of the time batters will either hit or strike out. When the adult is on the field they must remain at the rubber at all times and move only after the play has stopped or if in danger of being hurt. If the adult interferes with any play the runner may advance more than one base. THE ADULT PITCHER WILL NOT COACH FROM THE RUBBER OR DURING THE PITCH. If the adult pitcher does coach as a pitcher, it is interference and will be handled according to the rulebook. This rule does not allow for extra adults to come on to the field, no more than 3 adults, 1 must remain in the dugout at all times. Although stealing bases is permitted at this level, a runner may not steal any base when there is an adult on the rubber.
8. Continuous batting order is required at this level [Rule 4.04].
9. A five (5) run limit is in effect per half inning for the minor league divisions per the definition of an inning in the rulebook [Rule 2.00]. Following the completion of the play in which the fifth (5th) run is scored the half inning, the half inning will end. No more than five (5) runs will be recorded per half inning, no exceptions.

- 10. THE TEN RUN RULE DOES NOT APPLY. If after four (4) innings one team has at least a lead of 15 runs or more, the manager of the team with the least runs must concede.
- 11. The entire District will comprise the Inter-League.
- 12. Each manager will be provided with a list of managers' names and phone numbers.
