Computer Programming Career Portfolio

Erwin Ramirez

Computer Programmer

**Table of Contents—Computer
Programming**

Vision

- I believe that in order for one to achieve one must work hard and make good choices. If one does not work hard, one will not be experienced enough to know how to work on challenging situations. Also, if one does not make good choices, challenging decisions could prove fatal.

[Computer Programming](#)

Career Goals

- My favorite recreational activities were and are cooking and computers, and I'm experienced with both interests. I'm planning on taking Web Designs Class next year along with an another cooking class.
 - To become well known with computers, I have a Macintosh iBook along with a PC at home to train with programs such as Adobe Photoshop, Microsoft Movie Maker and also owning my very own website
