

# This Fundraiser is FREE

Team up with Canada's No. 1 Realty Referral Network for Charities in a new and exciting fundraising program that raises valuable funds every time a home is purchased or sold – and there's no cost to you!

When it's time, simply list your home (or buy your next home) through the CharityLINK agent referral network and a portion of the normal real estate commission fee goes directly to the charity you designate.

That's because agents in the CharityLINK network are charity-friendly and agree to donate a percentage of the commission fees to your designated charity. So, when you're thinking of moving, please think of CharityLINK – your smart move for helping us.

# give... Without Giving!

Effortless Giving with CharityLINK Realty  
**Real Estate Referrals**

# Buyers and Sellers

**Give without giving to charity.**

CharityLINK is a realty referral network that helps buyers and sellers of properties in Canada, find REALTORS®. We help you find a real estate sales agent that understands your market; these REALTORS® want to work with you and help you. In return for receiving a referral lead from us they agree to pay a referral fee. This fee\* is then sent to the charity of your choice. The donation varies according to the price of the property and the real estate fees charged for handling that transaction, but on **average is worth between \$600 and \$1,000.**

Our program is designed for people that do not have a REALTOR®; we help them find one, that's our job. There is no obligation, so give us a try. We know that you and your charity will not be disappointed.

\*referral fee less our facilitation fee (2006-7= \$299.00)

# Real Estate People

**It's easy and rewarding.**

We help you find property buyers and sellers. These buyers and/or sellers have requested a REALTOR® that specializes in their needs and wants.

**Are you that person?**

# Corporate Sponsors

**Help Deafness Advocacy Association Nova Scotia**

Inform your employees of this new way to donate. When they buy or sell their home through CharityLINK Realty, a donation will be sent to DAANS.

“Selling my home was a great success... we meshed with an agent...developed and executed a sales strategy... sold in 2 weeks for 98% of asking price...”

Sue Tilley & Mark Jevnikar
