**BoSS Internal Report: #45098439084-765**

On the eve of the sixth anniversary of the fall of Coruscant to the fledgling so-called "New Republic" and the death of the beloved Emperor, another Pirate attack was logged by the Free Traders' Association (FTA), headed by a "Captain Ul'Star", details to follow.

Imperial shipping took a heavy hit as three transports were incapacitated, 9 escort fighters and their mothership were destroyed. The remaining 3 escorts and 2 freighters escaped into hyperspace, the fate of their sisters unknown and presumed dead.

Perpetrators:

(RNF indicates BoSS Transponder-Record not found):

VC-3400 ("Star Porpoise", RNF) Heavy freighter, Corellian-make

GaT-14 ("Commander's Vengeance", RNF) Skipray-class Heavy Escort

Unknown fighter (Transponder not active)

Unknown heavy fighter (Transponder not active)

--- *Begin Battle Log* ----

[*Iron Hammer's* sensors indicate incoming hyperspace vector, and two ships enter normalspace]

**Male voice** (lang: *Corellian*): This is Captain Ul'Star of the Free Traders Association calling Imperial Freighter Convoy. As of [time\_date] our records indicate that you have not paid your dues to the association. Surrender and prepare to be boarded and your dues for this quarter requisitioned. Thank you.

*Iron Hammer*<Victory Star Destroyer>: This is the Imperial Escort *Iron Hammer*, Captain J'nar commanding. The Galactic Empire does not recognise the FTA, and any hostile action against these ships will be met with lethal force. You will receive no further warnings.

"Ul'Star": Very well, we apologise for any inconvenience.

[*Iron Hammer's* sensors indicate heavy freighter powering up hyperspace engines]

[*Iron Hammer's* sensors indicate a core overload in process on freighter, avoiding]

[*Iron Hammer's* sensors detect incoming turbolaser fire from.....]

<premature end of log>

{From this point, the report is compiled from surviving ship record-fragments}

VC-3400: fired hidden turbolaser at VSD, destroying bridge; fired multiple torpedoes, critically damaging drive-section. Launched two starfighters (one heavy, one medium)

GaT-14: Micro-jumped to opposite end of convoy and fired Ion-cannons at lead freighter, ionising it. Fired turrets & missiles at escorts

Small Fighter: engaged Gunboat escorts

Large Fighter: engaged Gunboat escorts

Freighters -2 and -3: jumped to hyperspace

Escorts -3, -4 and -5: destroyed.

VC-3400: engaged escorts while raking freighters with Ion fire

GaT-14: Ionised Freighter-4, engaged escorts

Small Fighter: engaged escorts

Large Fighter: engaged escorts

Escorts -2, -6, and -9: Destroyed

Escorts -1 and 10: jumped to hyperspace

---- *End Battle Log* ----

Casualties extrapolated from after a 3 hour wait at rendezvous point resulting in no results, and multiple HoloNet distress signals being silenced.
