Stop the Destruction of an Old Arab Village in Israel!

Dar ElHanoun is an Arab-Palestinian village within the borders of the State of Israel. It is an old village that dates back to the 1920s, and its residents are Israeli citizens who legally own their lands. But the Israeli authorities refuse to recognize the village. Recent developments indicate that the Israeli Ministry of the Interior is intending to demolish the village and evacuate its inhabitants.

We are Jewish and Arab citizens of Israel, activists for peace and equality in Israel/Palestine. We are calling all peace loving people of the world who are concerned about the situation in Israel/Palestine: please help the struggle of Dar ElHanoun for recognition and prevent its destruction by the State of Israel!

We urge you to join the mailing list of the *International Committee for Dar ElHanoun*!
