Dave Pittman aka CoconutHead

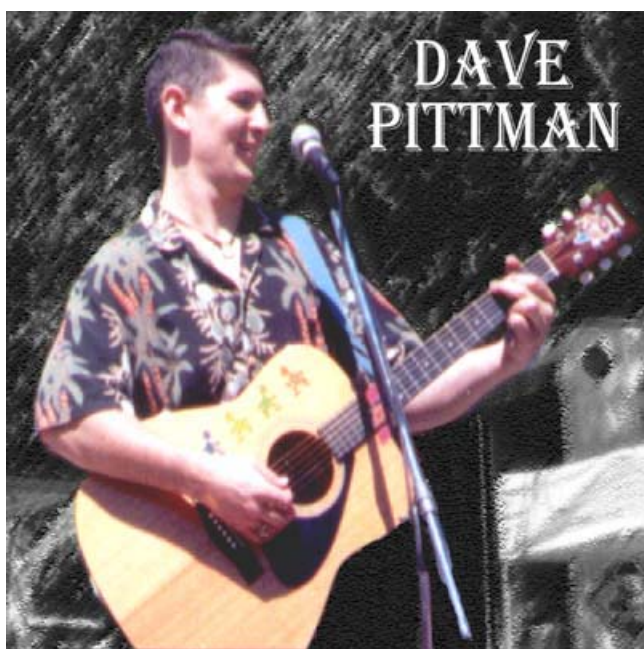

From 1995 to 2001, the band **CoconutHead** supplied the gulf coast panhandle with top-notch acoustic Jimmy Buffett music. Now based out of the upstate of South Carolina, Dave Pittman, the lead singer and acoustic guitar player, continues to perform solo as CoconutHead.

CoconutHead is just what the parrot heads ordered! Playing a large selection of acoustic Jimmy Buffett tunes, Dave Pittman covers everything from the popular “Songs You Know By Heart” to the more obscure parrot head favorites.

His song list includes music related to Jimmy Buffett such as In the Meantime, Chain of Love, and Suzannah by Buffett’s guitarist Peter Mayer, crowd favorite hits by Bob Marley such as No Woman, No Cry and Redemption Song, and the Eagles' Tequila Sunrise served up right along side Margaritaville.

A long time parrot head himself, Dave Pittman knows exactly what Jimmy Buffett fans want: Acoustic performances with the intensity and freshness that Jimmy Buffett had when he started in the 1970’s. Let CoconutHead excite your crowd into a Feeding Frenzy with requests and audience sing-alongs.
