

SEPTEMBER 2006 marks our 10th year anniversary. The owners, who are sisters and former Chicago Public School teachers, along with their mother, who is also a retired teacher, established PretendTown® in the ninth month of 1996. To date, the facility has seen thousands of children and our anniversary plans include new educational program and an expansion project.

All teachers and parents are encouraged to continue utilizing this facility and partner with us to teach, enrich, and empower all children for successful living and learning in the years to come.

Let us partner with you in educating our children.

### CURRICULUM

Is specially designed to enhance the skills children are learning in the classroom.

#### Pre-K thru 2nd Grade

Children can assume the roles of town residents and community helpers. They can also learn what it's like to run a store or business by pretending to be business owners.

#### 3rd thru 6th Grade

Children will enjoy applying academic skills to PretendTown® activities that relate to everyday living.

That Special Place where Learning is Stimulating, Dramatic and Fun!

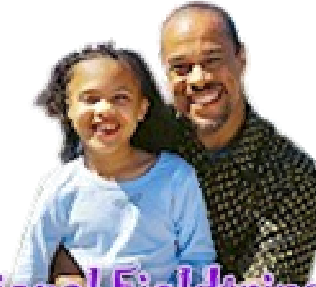

<p>LOCATION 420 West 111th Street Chicago, IL 60628</p>	<p>PHONES 773.995-0087 FAX 773.995-0403</p>
<p>HOURS 9:00 AM to 5:00 PM Monday thru Friday</p>	<p>EMAIL <a href="mailto:info@pretendtown.com">info@pretendtown.com</a> WEBSITE <a href="http://www.PretendTown.com">www.PretendTown.com</a></p>

**PretendTown®** is a replica of a neighborhood that has many of the realities found in a real community. The town features several structures modeled as businesses, social service agencies, homes and even a bank.

Children can role-play the real-life responsibilities of homeowners, employees and business owners—using the real-life tools, equipment, and materials that enable them to engage in realistic, hands-on activities that promote health, safety and community awareness—and learn while having fun.

**PretendTown®** is an extension of the classroom that emphasizes the relationships between academic subjects and everyday living. It is a wonderful educational facility designed for **Pre-school thru 6th grade children.**
