To Whom It May Concern,

David Kotler has worked under my supervision as the pianist with the Yolanda King Quartet on the M.S. Ryndam the last three months. In that time, he has shown himself to be an extremely professional and highly capable musician. He is excellent both at accompanying a singer and as the leader for instrumental sets. He has shown a talent for playing in a variety of styles as dictated by the needs of the set. Finally, he has demonstrated an impressive ability to adapt to unexpected circumstances and a strong desire to succeed. I recommend David to anyone looking for a strong group leader or an accomplished pianist to round out a professional musical group.

Sincerely,
