# Wrap Sheet - Vol. 11 - 11/14/2000

## Rant-N-Rave

• Shoulda Woulda Coulda! Steve Wolf complaining cause he got no credit for his ALMOST Ballsy Bet of The Year last week! Gimme a break, that's like selling a "Could-Be-Meat" Sandwich! Who would do that!?...Oh, that's right you do! Could you possibly invent more dishes with rice?! • Ed Rooney just didn't show up... for 3 Strikes 2000! Exits in Week 11! Comes away with the \$400 5-in-1 Teaser though! • Catman, so named cause he's such a big puss, exits in week 11 too! Mountain folk looking forward to his home coming this weekend! • Don C & Tara, 8th & 23rd place, hold the longest active win streak at 9 weeks. Need 2 more to break this year's record set by Kevin S last week (10) and many more to break the all time record of 14! Tara has reeled off 9 straight after losing the first 2 weeks. • Lotsa good feedback this week, Call the hotline and check it out.! • Dave P loses, drops into 2 Timer pack but keeps his sub .500 TB Percentage. One more loss though and that won't mean shit. • Bandwagon crashes with New England! 8 Exit in week 11!

## This Week

- 🍷 **Bubba, Ray Getting Old and Staying Local! Weekend MVP up For Grabs!**
- 🍷 **TB Booster of The Week - Cincy vs New England! Anyone?**

## The Rambl in' Redneck

Okay, so I missed a week. Quit yer belly aching. I'm back in the saddle and ready to give some of my omnipitant observations.

Nobody in the NFL died during Halloween week, but If you notice, I did predict a tie for the Presidential campaign. What? You didn't post that Drew? Dammit.

Football Picks ...

Jets win over Dolphins  
Bears win over Bucs.

Also predict a Browns win.

Outlandish prediction of the week ... Less than 5 losers in this week's pool.

### Week 12

#### Sunday, November 19

Arizona at Philadelphia, 1 p.m.
