How to Read the Chart on the other Side!

Rank: Your current ranking based on how many people are ahead of you.

Streak: How many wins or losses in a row. Losses have minus sign (-) in front.

Last Rank: Your rank last week.

Tie Breaker-W/L: Combines the records of teams you have a W under. L's don't count. This changes as your winning teams' record's change.

Tie Breaker-Pct.: Simply the winning Percentage of your TB wins and losses. The lower the better.
