Rant-N-Rave

• Losing Time! If my prediction is to come true, Kevin Scenczi needs to lose this week! I know you won't let me down Kev! Besides you've been playing over your head for weeks now (6 to be exact). • Slip Sliding Away! yffuD couldn't stop his slide out of the pool! 3 consecutive losses lands him in the loser bin - See Ya! • How bout the Redneck picking the Jags OT victory last week. He's got some more for ya down below. Don't pay him too much mind though, he is out of the pool! • Hey Duff, C'mon fess up who's feeding you picks? 3rd place with a sub .500 Tie Breaker!? Couldn't be that Florida air! • Homophobe Catman wondering about the Redneck's sexual preferences! I always thought Catman looked a little like Ned Beatty. • The Swammis have wormed their way up the 2 timer pack right behind Steve Wolf. Who's going to get them their final loss - Johnny or Ray? • All Nappas have left the Buliding! Joe Sr. & Jr both exit in Week 9. The other Father Son team (The Wolfs) still alive and in the top 5 of the 2 Timer Pack!

This Week

- 🍷 **Projected Bandwagon of the Week - Skins Will Get at Least 17 Aboard!**
- 🍷 **Looks Like It's Time For Another Upset Week! Usually Every 3-4 Weeks!**

The Rambl in' Redneck

Okay Crackers, here is Ol' Jeffy's Predictions for the week. First lets look at last week, Picked Cincy, picked overtime loss by the Cowboys and just missed Seattle beating KC. Still not a believer, well this week should cure all that .. kinda like the cure Dan Lassiter got for the clap 3 years ago, but I digress. You really should have thrown to your tight end more you putz.

Oh an yffuD, welcome to the loser bin. Just shows you that no matter how you spell Duffy, it comes out loser.

Now for the clairvoyant predictions ..

Nothing major but ...

Frisco beats New Orleans

Denver beats the Jets.

My morbid Halloween special for the week .. Someone in the NFL dies this week. That's right, someone kicks it.

Now where did I put my moonshine?
