# Wrap Sheet - Vol. 1 - 9/11/01

## Rant-N-Rave

• 32 Losers in Week 1 - 30 with the Bandwagon Vikings! Daunte Culpepper looked like Quincy Carter, too bad Quincy didn't look like Daunte, we could have had 11 more losers! • Ballsy Bet of the Week to the Cincy 5 including Ed Frank, back to 3 Strikes after a 1 year hiatus. Anonymous would like to welcome Ed back after his 1 year stint in Rahway! • Last Year's Winner Nomo making a repeat look tough after losing in Week 1 with the Vikes! • Rob Revell thwarted my prediction last year that he'd go 3 and out, but he's back on track already this year - Oh for 1 in Week 1! Don't let me down! • Cleo the Psychic predicts Catman out by Week 10 (She's never wrong) • 8 Rookies in 3 Strikes 2001, 2 lose the first week - Rick Ryan & Dave G, welcome to the pool! • 12 Survivors (a person who plays in every week of the pool), return from last year - 4 lose in week 1! • What the hell was Al T thinking - Cleveland? • Who's going for the Teasers? Cincy pickers have a leg up on the 5 in 1 already. Picking the Cleveland Pittsburgh winner could give you the inside track to \$500, anyone taking that bait?

## This Week

- Good Win if You Can Pick it - Cards Washington or Browns Pittsburgh!
- Leave Your Guess on the Hotline on Who Will Be The First To Exit This Year!

## The Rambl in' Redneck

Sum bich. How do the friggin Vikings lose to a team with no running back and a middle aged rookie? Easy, have me pick the bastards. Glad I ain't the only miserable cuss that fell off the turnip truck.

The ol' redneck went 3 outta 4 this weekend. Predicted all winners except where the Vikings. That sound you hear isn't a horse pullin it's foot out of the mud, its me sucking at this pool.

Week 2!!

The Redneck is taking Detroit over Dallas. Book that one Drew!! The way I see it, if you can't win being a 13 point favorite you may as well start trying to get some mid tier teams out of the way on your picks. Lions won the coin toss.

Other picks of interest, and yes, I'll take my 75% winning percentage to the bank. Jacksonville will make a prison bitch out of Chicago which will probably be the bandwagon bet.

I have 2 upsets. Check these out and I hope some of you Yankee bastards fall prey to these picks:

New England beats up on Carolina and Cleveland beats Pittsburgh. Why? Because I said so and I didn't turn in these picks to Drew.

Now where did I put that chicken?
