Teasers/Tie Breaker Spotlight

If 2 players hit a Teaser the Same Week, winner is decided by Tie Breaker Pct. Not win loss record. For example, 2 people hit the 5 in 1 in Week 6. Player 1 is 6-0 with a .612 TB and Player 2 is 5-1 with a .550 TB. Player 2 wins. Also, your Tie Breaker Pct. changes as your winners' records change. So this means once you pick a team for a win, you want them to lose every game there after. If you don't get this you don't get the pool!

The Rambl in' Redneck

Are you fuckin' kidding me? I've been playing this goll darn game for 5 years and never has the ole' redneck been treated more like Abner Luima than this season. Drew, could you pull the plunger out a little. How the hell do the Colts lose to New England without Bledsoe? How? HOW!?!? I'll tell you how, it is a ploy to have the redneck finish in the money after the greatest comeback in 3 strikes history.

I suppose it could be worse, I could have to run this league after being ousted in the 4th week, but then again, I'm no Drew Kieffer. I only have to write this inane column.

The redneck was 2 and 2 last week. I prognosticated Baltimore and Minnesota winning and lost on Pittsburgh and more importantly the Colts. Season skinny: 8-3

Now I have not lost hope, in fact I'm as optimistic as Ed Rooney in a small dick contest. Of course Ray Wagner was the taste tester for that event, and he went through 6 bibs. Sorry for the visual.

Week 4 I have more picks, more insight and more insults. San Diego will continue to win and beat Cleveland. Buffalo will upset the Jets, and I hope that screws up most of you Yankee homer's up there.

Could I do another? Well, now you sound like Paul Hansen serving as pivot man at the boo-foo fest. Yes I'll do another, two even. Pittsburgh will beat Cincy.

Lastly, and not leastly, and book this Drew ... Oakland will beat the Cowboys.

The Redneck ... American by birth, Arkansan by the grace of God.
