The Rambl in' Redneck

First off, I'm glad to see some of you have some balls and like giving people grief on your picks. Randy Rasmussen decided to tug on Drew's nuts by picking Arizona over the Cowboys. Loser. As Dean Werner said " Fat, drunk and stupid are no way to go through life son'.

I went 2 for 3 last week. Picked the Cowboys and the Steelers. I know the game hasn't been played yet, but screw you guys, I'll take liberties.

I also see that all the remaining women left in the pool lost last week. I'm really glad to see this, especially since its keeping you guys from your chores. I figure another week and the butter will finally get churned.

I was sorry to see Jim Paluzzi lose his third and leave the pool. He now has to go back to his second job as a Charles Nelson Riley impersonator. I loved him on HR Puffin stuff. Also, congrats to Mark Brower for being 4-0, bragging to anyone that would listen on how great you are at picking games, and losing your next three. Next time get you picks from Tara ... no wait, she's dropped two in a row.

Here are the ballbusters for Week 7

I got Carolina beating Miami
I got Seattle beating Washington
I have Detroit beating Frisco.

May these selection ruin your weekend.
