## The Rambl in' Redneck

What a snoozer of a week. The only good thing is that we got another woman out of the pool .. buh bye Sharon. How' bout dem Cowboys!? My God, Campo could have put in Stephen Hawking and not have lost that game. You think people from Arkansas don't realize that Stoerner is a choker? He fumbles against Tennessee in 1999 .. nevermind, it is just too painful. Pisses me off.

So the Nazi got some cash this past week. Great!! I can see him goose-stepping now down the streets of Trenton. Give my best to the commandant.

Seriously, Congrats on all the money winners after week 8. I hope you do the right thing and donate a portion of that money to ME!! I'm entertaining you for Christ's sake .. show a little love.

Things are getting tighter this time of year. Tighter than a well digger's asshole. It is my hope that these predictions cause you pain ...

Picks for this week.

Arizona beats the Giants.

Cowboys beat Atlanta (Ryan Leaf for Heisman .. oh wait, he's a pro now)

Minnesota beats Philly ... anyone else remember Minnesota losing to

Carolina? Jesus, how does this happen?

May these selection ruin your weekend.
