About Alumnae Membership

Who We Are

In the spring of 2006, The Northern Delaware Alumnae Chapter of Sigma Alpha Iota was installed. We are the first alumnae chapter of our fraternity in the state of Delaware. We are a group of women from Delaware and the surrounding states who were collegiate members of SAI and wished to continue sharing our love of music.

Since our first organizational meeting in November of 2004, the women of our group have been meeting on a monthly basis during the school year. Meetings are held in the Newark/Wilmington, Delaware area. Our members include teachers, professional musicians, and women who want to still have music as part of their lives. We are of all different ages and professions. You do not have to have a career in the music field to join. Any woman who was a member during her college years is eligible.

What We Do

The Northern Delaware Alumnae Chapter is striving to be an active and helpful part of the musical landscape of Delaware. We hope to assist our local collegiate chapter, University of Delaware's Eta Rho, as well as any of the surrounding local chapters that need a little support. We have been called on as musicians, mentors, and even as moral support for our collegiate sisters.

For the past several years, we have been performing at local area nursing homes to share our musical talents with those in need of a smile or some extra contact. Singing patriotic favorites with some of the residents of the homes has been a very rewarding part of what we do.

How Much Time Does It Take?

Membership in our chapter can be as intensive or as relaxed you need it to be. We understand that not everyone has hours of time to devote to music. We all have families and other activities too. Membership is what you make of it. If you are unable to make it

to every meeting, we frequently communicate via email. During the summer, we are usually on hiatus. In the summer of 2006,

several of our NDEA sisters Attended the National Convention in Orlando, Florida. It was an experience we will never forget!

Most of us are also members of the new SAI National Alumni Association. You can visit the National website for more information on the association:

What We Can Do For You

If you are looking for a place:

- To continue your interest in SAI
- To meet other women with the same interests and talents as yourself.
- To share your creativity and musical ability out in the community.
- To network with other professionals interested in the same musical goals.
- To mentor younger sisters in the ideals of Sigma Alpha Iota.
- To have fun doing what you love.

Then...WE WANT YOU!!
