

# Energy Efficiency Program For Low-Income Homeowners with Electric Heat

- Do you live on a low-income?
- Are you a homeowner?
- Do you heat your home with electricity?

If so, you may be eligible for **Free Insulation and other Energy Efficiency upgrades** to your home to help reduce your electricity use.

Please call 1-877-434-2136 for further information or email [katherine.reed@nspower.ca](mailto:katherine.reed@nspower.ca)

The free Energy Efficiency upgrades for Low-Income Homeowners (who heat with electricity) are funded by Nova Scotia Power and are aimed to reduce electricity use and help save money.
