Dear Pastors and Praying Churches,

Down South and All Around - We have been from the North to the south and now to the southeast. We are working on scheduling more churches for this year. Please pray that the Lord will open doors and send us more churches as we desire to be on the field soon. The deaf in Mante are begging us to come back, now, and it breaks our hearts not to be able to. We have had wonderful blessings this month that have caused us to stop and stand in awe of the working of God in the lives of His people. One such blessing involved our car's check engine light that came on while we were in Wisconsin. We thought, here we go again! But God brought a mechanic to us who not only fixed the problem but didn't charge us a thing! Now that's something to shout about!

Evangelism - I was able to lead one teenager to the Lord! What a thrill!! We have had great opportunities to witness to people and we praise God for these opportunities to serve Him and spread the Gospel. Pray that we will be able to see more souls saved.

Answered prayer and prayer requests- Pray that we will be able to schedule more churches and see our support increase over the next few months. Praising the Lord for keeping us safe as we travel all over the country. Thanking God for newly made friends. **We are asking prayer for more churches to partner with us.** We are asking you to pray with us in seeking God leadership in a situation. Thanking God for our salvation and His love to us all.

Future events – Traveling and presenting our ministry in the southeastern states, New Jersey and New York. Please feel free to look at our website and blog to see how we are coming along. Thank you for your prayers.

Reaching the Deaf so they might **HEAR**,
