Dear Pastors and Praying Churches,

Down South and All Around – We stand thankful and in awe of what the Lord has been doing. We have been in some wonderful mission conferences these last couple of months. The Lord has blessed us by their generosity and passion for missions. From the last Sunday of February to the end of April, we will be in 5 mission conferences and 5 regular Sunday services presenting our ministry. Two of those churches have already taken us on for support and many of them have shown such love to us it touches our hearts deeply. God has blessed us with the kindness of strangers who have paid for our dinner while we've been on the road and with much needed equipment through mission conference "pampering". We just feel so humbled by your love and the very fact that God can use us in His service.

Evangelism – Wow! the Lord brings people into our paths everyday to witness too! Every place we go He opens up opportunities to witness, especially to the deaf and Hispanic population. Crystal had the privilege of witnessing to a wonderful dear lady after church. Please pray God will continue to open her understanding and she will accept Him as her Savior. At one of our conferences the dear people gave us many wonderful items for teaching and witnessing that we are sure will make a difference in our ministry.

Answered prayer and prayer requests- Please pray for our safety as we travel to churches. Please pray that we will schedule more churches and that the Lord will burden people for missions. We can't go without the support of local churches. We have a few GREAT praises...We now are at 62% of our needed support; a few churches have recently decided to partner with us with support, and the Lord provided the money to cover the car repairs we had done in January! Please pray that the promise of support will be sent in, that more churches will take us on for support so that we can return to the field quickly, (hopefully sometime next year). **We cannot thank and praise God enough for His provision of increased support and car bill paid in full!**

Future events – In July, we will be heading to Mexico for a week to check on the deaf in Mante and also to work at the deaf camp. We will be traveling and presenting our ministry in West Virginia, Virginia, Kentucky, Kansas, Texas and every place in between. Please look at the Calendar and blog on our web site to see what's happening. Your prayer and support for this ministry is so very greatly appreciated!
