Dear Pastors and Praying Churches,

Down South and All Around - Merry Christmas! When we think back to all the places we have been this year, to the lives that have been changed through your giving, and the blessings God has bestowed, all we can say is "wow!" what an awesome God we serve. Take a moment to reflect on God's faithfulness, His love, His provision, and His leading in your life this past year. Stand in awe of God's amazing grace and love for us. Then allow your heart to find ways to serve Him better, to love Him more than you have ever done before. Let this Christmas season be the one that revives your soul!

Evangelism- As a summary of this years witnessing opportunities we have seen 12 saved, many surrender to the ministry and lives that have been changed to follow God. We were in Maryland last month where God opened the opportunity to witness to Hispanics. I just love it when He does that! Next week we will be visiting door to door while at a church for their mission conference. Please check our blog for a list of people we are praying for and join us in praying for lost souls to be saved.

Answered prayer and prayer requests- That we will be able to schedule more churches and see our support increase greatly in the next couple months. Praising the Lord for our safety as we travel the country. We are praising God for the new support we received this month. Thanking God for newly made friends. We are asking prayer for more churches to partner with us. We are asking you to pray with us in seeking God leadership in a situation. Thanking God for our salvation and His love to us.

Future events – Traveling and presenting our ministry in Wisconsin, and the southeastern states.

Please feel free to look at our website and blog to see how we are coming along. Thank you for your prayers.
