Dear Pastors and Praying Churches,

**D**own South and All Around- We are still up in the New England states. We are enjoying our time up here during the beautiful fall time. In Mexico we do not have fall so we are enjoying seeing the leaves change colors. During the month we will be heading back to the mid-west. We were just at the national fellowship meeting and received many blessing while there. We have seen some new partners in our ministry this month plus a few promises of support and we are thanking God for those. We are very homesick for Mexico and are wanting to get back soon. We are thankful to be able to keep in contact with a few of them via email and messaging.

**E**vangelism – Wow God is good. We were able to see 3 souls saved (praise God) and have had many Opportunities for witnessing. We have also seen many people making decisions for Christ. Please pray for these people to continue to follow Christ. This last month we were able to talk to some deaf about Christ please pray for them and that they will receive Christ before it is to late.

**A**nswered prayer and prayer requests – **Thanking God for souls saved.** Praising God for His provisions and love toward us. We are praying for the Lord leading in a video projector since the slide projector we are using is not our but the Walterhouses and they are needing it back. Raise our support quickly to return. We are thanking him for the increase in support. The deaf souls in Cuidada Mante. Thanking God for keeping our car safe and continuing to protect our car. Also a personal request we have, that God will continue to work in this area. More churches scheduled.

**F**uture events – Spending a week in Mexico for the church's anniversary and dedication.  
Presenting our ministry in the New England to the Mid-west.

Reaching the Deaf so they might **HEAR**,

**Update:** We were blessed by a church by providing us with a video projector that is far than we were hoping for.
