Dear Pastors and Praying Churches,

Down South and All Around - Where does the time go! Over the past few months we have been in Texas, Missouri, Nebraska, and Indiana. Our car has hit 100,000 miles and is running fine! Praise the Lord!! We have added a few new supporting churches and some churches that are promising support. We were able to make it to Indiana and spent a couple of days with my family. We were in Maryland at the writing of this letter, presenting our ministry to some wonderful churches there. God has been so good to us in providing for our needs in this touchy economy. We need to get back to Mexico soon, as the deaf there are begging us to hurry back and help them. The need is so great, the laborers are few, and the time is running out.

Evangelism – We have had an interesting time finding unique ways in which to witness to people as we travel. We firmly believe in witnessing to everyone we come in contact with. We love it when God brings us to Spanish speaking people and opens up the opportunity to witness. They are surprised at first but very happy to hear their language spoken. Please pray with us that we will see souls accept Christ as we witness to them.

Answered prayer and prayer requests- Praising the Lord for our safety as we travel the country. We are praising God for the 2 deaf that our friend led to the Lord this last month. We are praising God for the new support we received this month. Thanking God for new friends. We are asking prayer that more churches will partner with us so we can get back quickly to the deaf in Mexico. We are asking you to pray with us in seeking God's leadership in a situation. Also thanking God for the good health reports on Crystal, but prayer for the paying for the testing.

Future events – Traveling and presenting our ministry in Maryland, Indiana, Missouri, and Wisconsin. Please feel free to look at our website and blog to see how we are coming along. Thank you for your prayers.

Reaching the Deaf so they might **HEAR**,
