

# HOOPESTON CIVIC CENTER TREK-IN GUIDELINES

In order that TREK-IN be the best learning experience that we can make it, we ask that each troop follow these guidelines while at TREK-IN.

The Troop adult leadership is responsible for the supervision of its scouts in regards to discipline, security, etc.

As in keeping with national policy, two deep leadership is required at all times.

In order that we can continue to use the Civic Center we need everyone to keep things clean and orderly.

Scouts are expected to stay in the building at all times, unless accompanied by a leader for a specific purpose. Soft drinks and snacks will be available for sale from Illini OA Lodge 55. Casey's is off limits.

Scouts should become familiar with requirements for the Merit Badges they would like to work on, and do things on their own prior to TREK-IN if possible. (i.e. attend town board meeting).

Have your Scouts look like Scouts by wearing their uniforms at all times and by having their shirts tucked in.

The Scout Oath and Scout Law will be our guide at TREK-IN.
